Did you get separated from your friends?

I DON'T LIKE YOU FOR USING VIOLENCE!!

I decided to leave your side
Splash

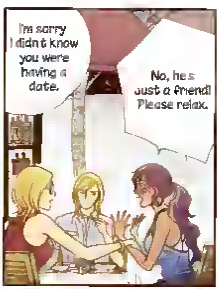
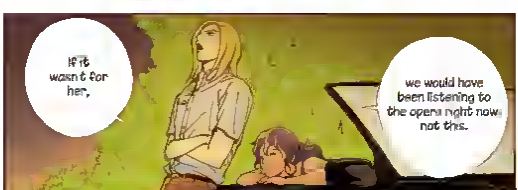
...

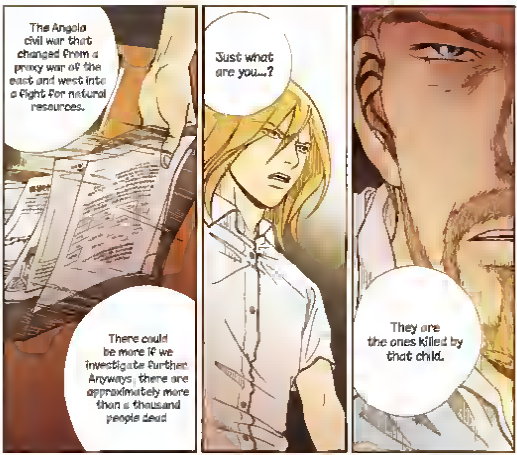


I'm sorry I didn't know you were having a date.
No, he's just a friend! Please relax.



If it wasn't for her,
we would have been listening to the opera right now, not this.

Cornelia.
Yes?
Do you want to go out with me?

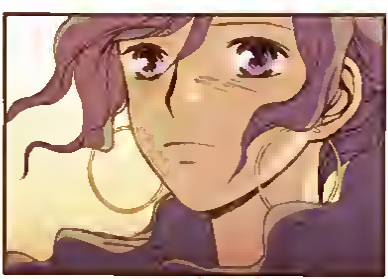


The Angola civil war that changed from a proxy war of the east and west into a fight for natural resources.
There could be more if we investigate further. Anyways, there are approximately more than a thousand people dead
Just what are you...?
They are the ones killed by that child.

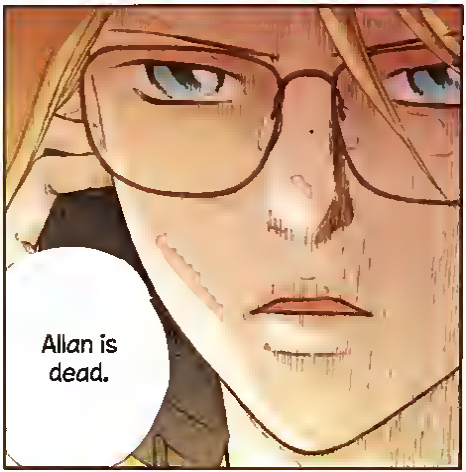
The weapons repaired by that child during the Angola civil war,
killed thousands of people.

God...
Will never forgive me.

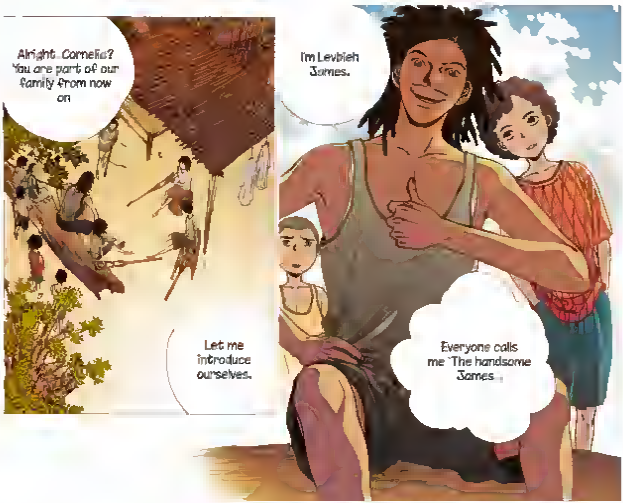
Go back,
Cornelia.



WHAT?
IS THAT TRUE?



Allan is dead.



Alright. Cornelia? You are part of our family from now on
Let me introduce ourselves.
I'm Levbleh James.
Everyone calls me "The handsome James".

*T/N: the James here is read as 'ya-mes' So I don't know if James is the right spelling.*

Of course! You're our family now.

I like

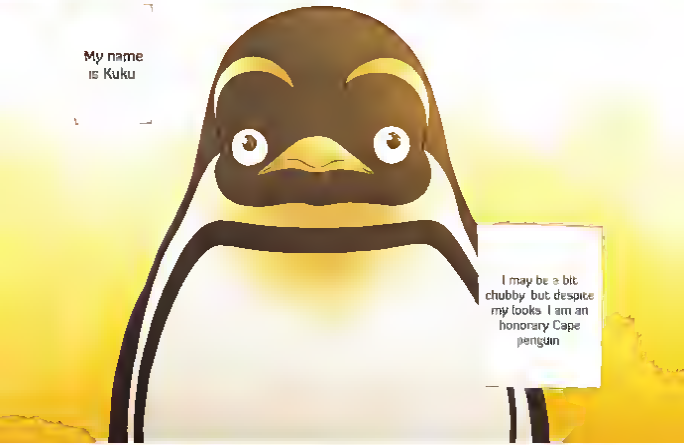
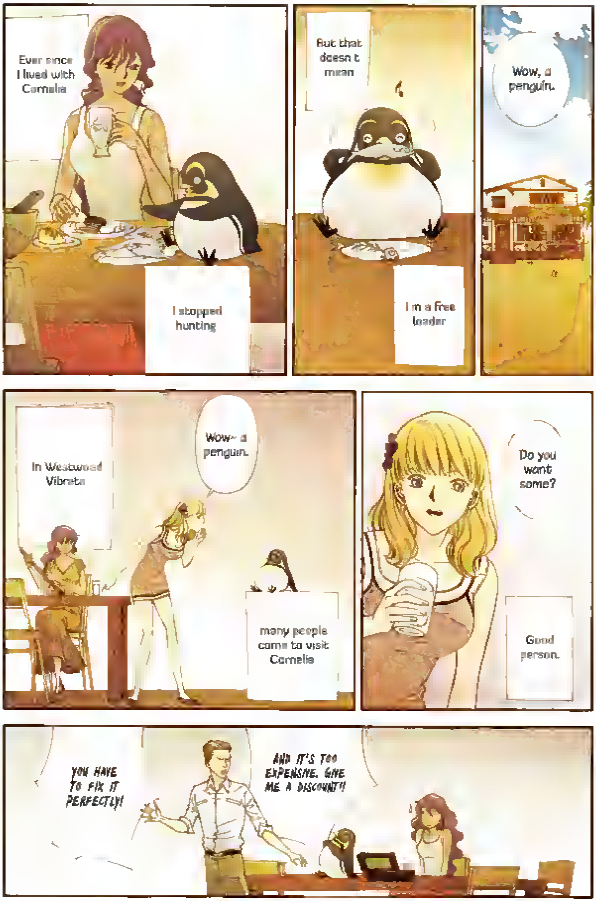
Penguins



My name is Kuku
I may be a bit chubby but despite my looks I am an honorary Cape penguin

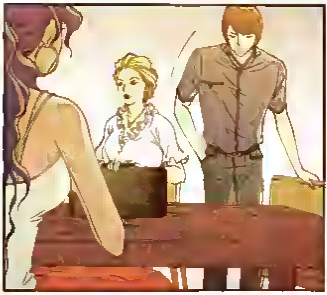
Here in Cape Town, the climate is very mild.
My kin usually live at Boulders Beach
One may wonder why we are in a tropical country
but I also do not know why
Ppp
Whoosh
My name is Kuku.
I don't really like it, but
I didn't have much choice
Because~

Alice, Christina, Caroline, Juliet..
Which one do you prefer?
Personally I like Juliet..
KU!
KU!
I'm a male!!
KUKU!
KU!
Kuku!
I didn't have much choice
Let's go.

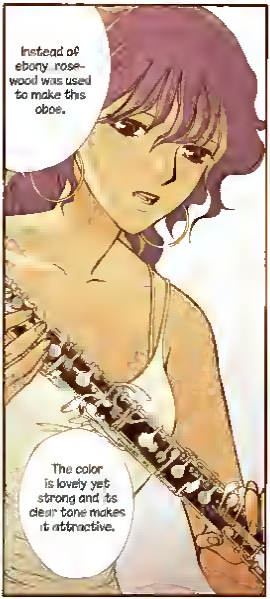


Ever since I lived with Cornelia
I stopped hunting
But that doesn't mean
I'm a free loader
Wow, a penguin.
In Westwood Vibrato
Wow~ a penguin.
many people come to visit Cornelia
Do you want some?
Good person.
YOU HAVE TO FIX IT PERFECTLY!
AND IT'S TOO EXPENSIVE. GIVE ME A DISCOUNT!

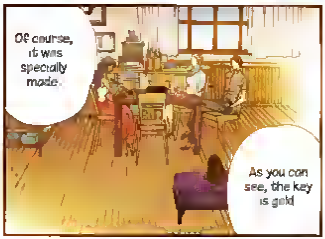
WHAT IS THIS PIG-LIKE PENGUIN?!
GET LOST!
Bad person
Bite
ARGH!
Crunch
KUKU!
Bad person
Isn't that a pig?
Good person
Wow, so cute.
Good
Here.
Kidding.
Just poop!
But the most troublesome people are different from them



We're going to sell it. Please give me a certificate of authenticity.

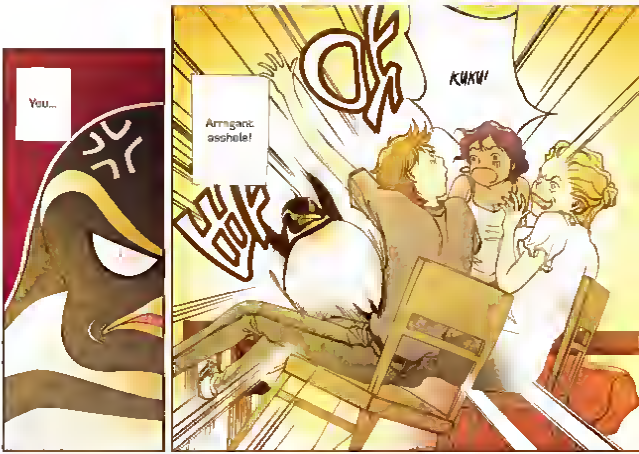


Instead of ebony, rosewood was used to make this oboe.
The color is lovely yet strong and its clear tone makes it attractive.



Of course, it was specially made.
As you can see, the key is gold

I feel a strong attachment on this instrument,
but may I ask why you have decided to sell this?
Daniel will be entering law school. He'll stop playing.
How come you don't have a leg?
Did you step on a mine?
DANIEL!
Makes you embarrassed if I suddenly ask you questions, right?
Just fix the instrument.
I should get a good price since I'm selling it anyway.



SFX. Tackle

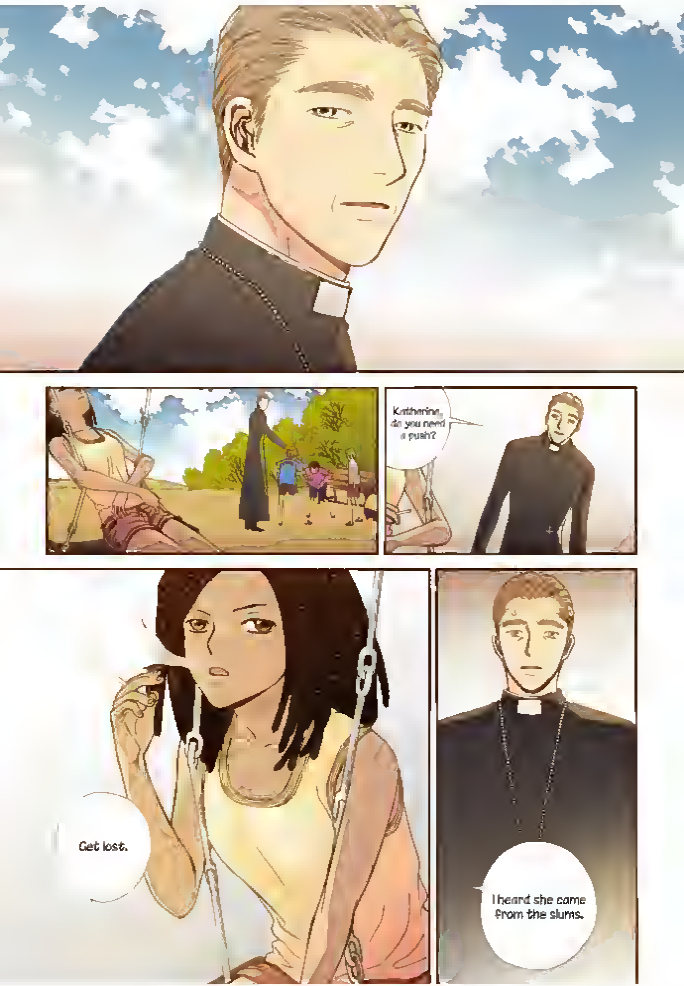
SFX SHOOOO

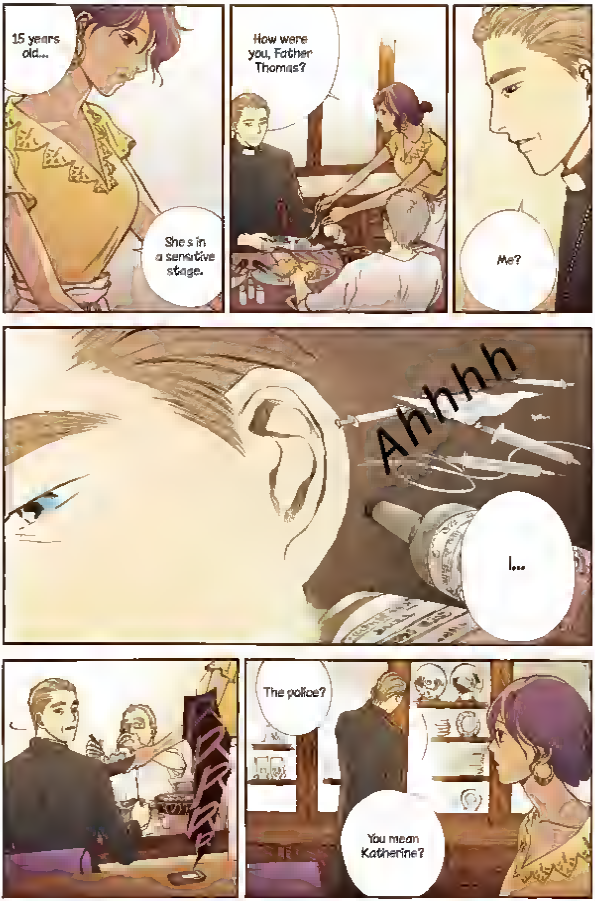
ARE YOU FUCKING READY?!
YEEAH!!
Children, you might fall down.
Paul! You can't eat that!
Hahaha..



Katherine, do you need a push?
Get lost.
I heard she came from the slums.

They say she smokes, drank, and even took drugs.
Oh my...
I'm worried she'll influence the other children.
She's quite a rough girl, right?
The previous people in charge of her all gave up.
She is pitiful, but... she has to go back.
WEST WOOD VIBRATO
You want to know how to approach a 15 years old girl?

HEY, DON'T TELL ME-!
LOOK HERE, THOMAS. THAT'S A CRIME...
What are you guys talking about.
She's a girl under the care of our church, she ran away from home
What kind of child is she?
An adult-like child. I can't go into details though.
She is very proud and strongly stubborn. And..
She doesn't open her heart to anyone.



15 years old...
She's in a sensitive stage.
How were you, Father Thomas?
Me?
Ahhhh
I...
The police?
You mean Katherine?

POLICE
Ugh, Just because I got some petty cash.
Katherine.
WHY? I'M FROM THE SLUMS ANYWAY.
AREN'T I THE BAD KID WHO DRINKS AND SMOKES, NOT TO MENTION ON DRUGS?
I'm still thankful
WHAT?
I'm happy that you called.

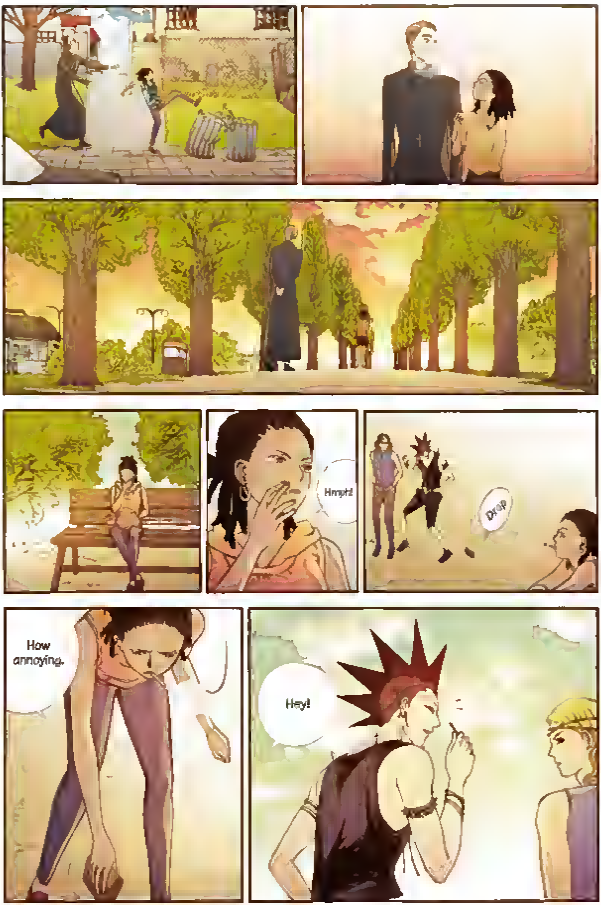
I CAN'T CALL MY HOUSE WHEN I RAN AWAY FROM IT.
YOU'RE REALLY ANNOYING.
Did it go well that day?
Hm?

You went to the police station because of Katherine
Ah...
Frankly, I don't know what to do for that kid.
Is that why you were praying so hard?
Hahaha, were you peeking?
Sorry, I was just passing by.
Trips
Are you okay, Mitchell?
Yeah.
Wow, Mitchell is amazing. Other children would have cried.
Yup! I'm amazing.
Father Thomas, this is how I think.
Children will easily fall down and hurt themselves without adults around.

but children think differently.
Everything in the world is wrong.
Their only ally is themselves
and they can live without any help.
Cornelia?
From experience.
How about you just stay beside them?
I think that alone is enough

Do you think I'll cause some trouble?
And taint the name of the church again?
WHY ARE YOU FOLLOWING ME LIKE A LEECH?!
I'm just worried about you, Katherine
YEAH, SO WHY?

As long as you're under our care, I have a duty to protect you.
I'm your guardian, Katherine
REALLY? THEN GO AHEAD AND
PROTECT ME.
Kick
Shatter



Hmph!
How annoying.
Hey!

I'M TELLING YOU, I DIDN'T!
I TOLD YOU I JUST PICKED IT UP FROM THE FLOOR!
WILL YOU STOP LYING? THEN WHY DID YOU LOOK INSIDE?
I JUST WANTED TO CHECK HOW POOR YOU WERE! YOU'RE JUST BRINGING AROUND A FAKE WALLET
WHY, YOU THIEF!
In coming!
Please stop it.
This child did not steal it.

SFX grab

WHAT? DID YOU SEE IT?
I didn't
But if Katherine says she didn't, she really didn't do it.
I believe in this child.
So apologize to this child for the harsh words you said.
WHAT?! THIS PRIEST IS SAYING NONSENSE!
Please apologize.
DO YOU WANNA DIE? HUH?!
Smack
WHAT ARE YOU WAITING FOR? RUN!!
Show it to me.
Huh? Show what?

I did it a long time ago, I was quite popular
Then why did you become a priest? Why?
Well, I wonder why...
I wonder why.
YO! THOMAS, YOUR DAD'S HERE!
WHY THE HECK ARE YOU HERE AGAIN, FATHER PETER?!
WHO'S WHOSE DAD?!
Thomas 30 years ago-

.....
Yeah, that was really me. I was in a serious rebellious stage
I bought a ticket to come in here.
THAT'S NOT THE POINT HERE!
WHY DO YOU KEEP COMING, IT'S SO EMBARRASSING.
Wahaha
HAHAHA, I CAN'T BELIEVE IT.
THOMAS, THE LEADER OF SKELETONS, IS THE FOSTER SON OF A PRIEST
Father Peter is the man who took care of me when I was a lonely orphan.
You rude boy, I come because I was worried!
But back then, I really hated him for no apparent reason.
AM I KID?!
There is a 17 year old an adult?!

The reason why priests and clergy help the poor and needy
is all for themselves.
On top of that,
Father Peter was
Thomas.
Carry me, I can't walk...
very brazen
DAMN YOU! I TOLD YOU NOT TO
If you curse, God will put you to hell...
WHEN WILL YOU STOP SAYING THAT?
Thomas.
You seem to have received good stuff from your fans today. Give me some.
No way!
I couldn't give it to him
Because it was.

Some-
thing like
that..
The confession
room inside
the church.
that was
my resting
place during
the night.
Huh?

Weeooo
Weeooo
They say that he took drugs in the confession room every night.
Oh my, how could Father Peter do this?
I didn't know since when he knew about this but...
At the time I knew that the truth would be revealed soon
DAMN IT! SO CHILDISH
But...

You're... all right... cough cough...
I'm... glad that... cough cough ..

AAAAARGH!!

Katherine, there are times when you think that everything
In this world is your enemy and your only ally is yourself.
But that isn't true. You always have someone on your side in this world.
You just don't notice it.
Like me.
Father.
Yes?
They found us.

HEY!
P.. please help me.
Fa.. Father is..
The thugs that got into a fight with me...
took Father with them by force
Father told me to run...

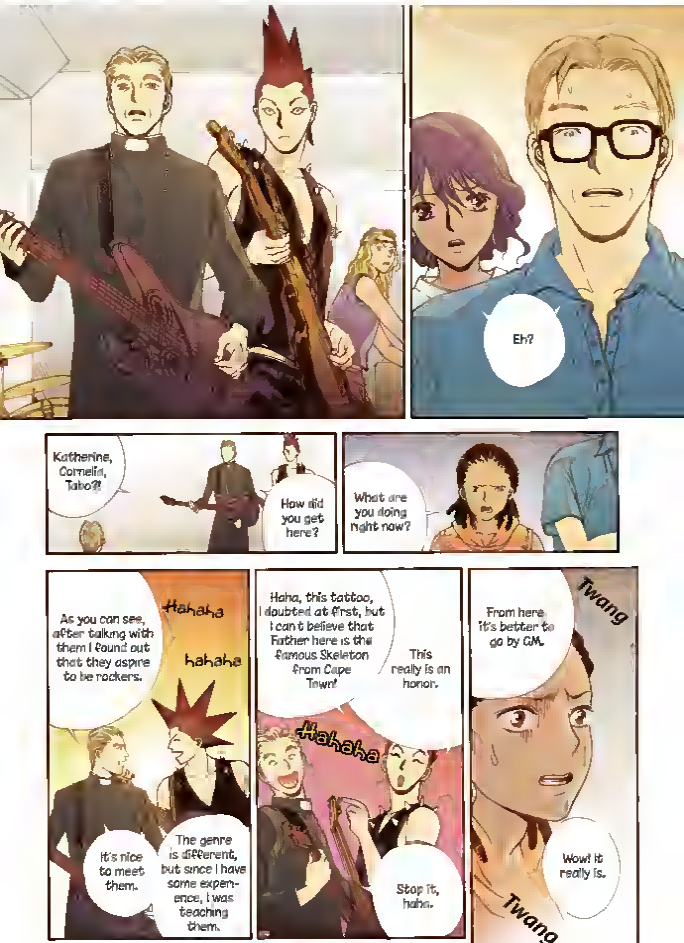
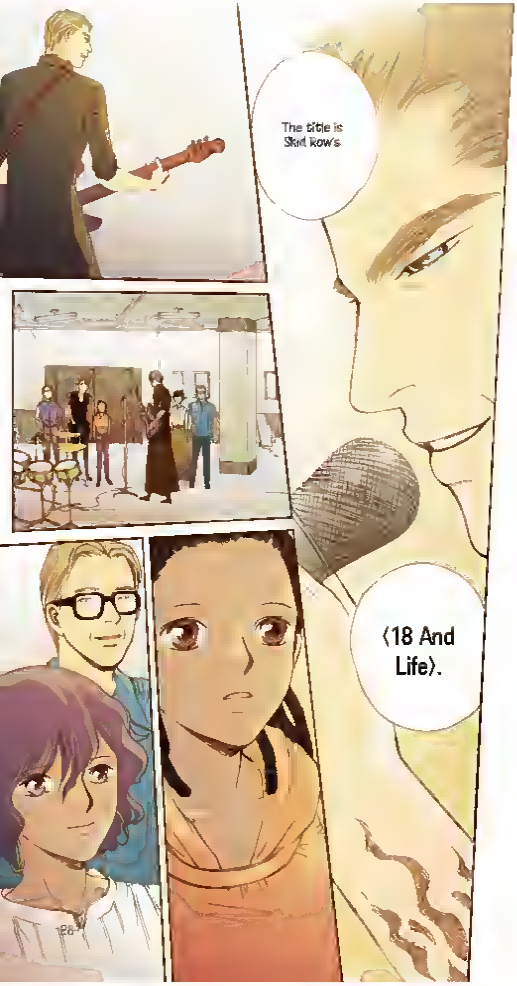
FATHER!!



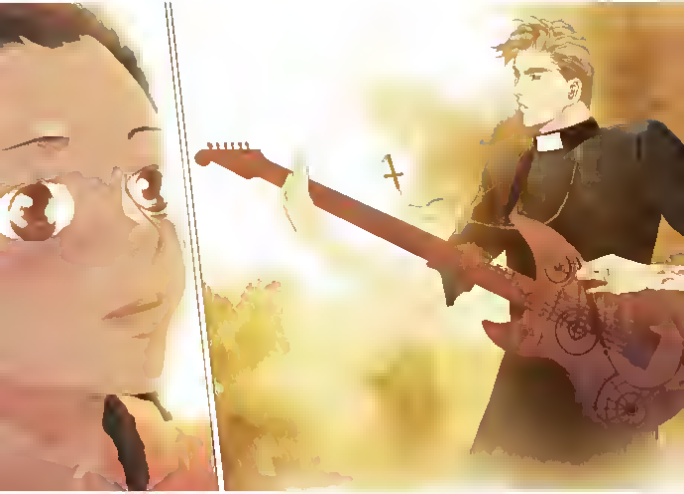
Eh?
Katherine, Cornelia, Tabo?!
How did you get here?
What are you doing right now?
As you can see, after talking with them I found out that they aspire to be rockers.
Hahaha
hahaha
It's nice to meet them.
The genre is different, but since I have some experience, I was teaching them.
Haha, this tattoo, I doubted at first, but I can't believe that Father here is the famous Skeleton from Cape Town!
This really is an honor.
Hahaha
Stop it, haha.
From here it's better to go by GM.
Twang
Wow! It really is.
Twang

AAAARGH!
WHAT IS THIS! DO YOU KNOW HOW WORRIED I WAS?!
I WAS REALLY WORRIED!
I'm sorry, Katherine. I wanted to go home early
WHATEVER! GET LOST!
Father.
All right, Katherine! Then how about this?
As a form of an apology, I'll-



The title is
Skirt kow's
〈18 And
Life〉.

Jiiiing
Wow, I can't believe Father Thomas had that side in him.
Haha, as expected of the lead singer of Skeletons.
He didn't lose the touch at all.
Even when you compare it to these days,
?!



I'm...
Going to go home.
Really? That's great.
Your parents will surely be happy.
Father,
Yes?
Can I ask you something?
Of course, what is it?
I guess it's a crime when you
and I date later on, right?

It's a recorder made from a maple tree.
Except for the upper part, the condition of the instrument is good. You have taken good care of it.

It's my grandson's most prized possession.
But now there's a crack because of that silly old man.
Did something...?
Oh, you have no idea.
That old man wanted to take the recorder from his grandson when the boy was playing it because he wanted to play it too
and acted like a child. Just like his grandson who didn't want to give in.
Both of them were fighting over that recorder then.
eventually that happened.

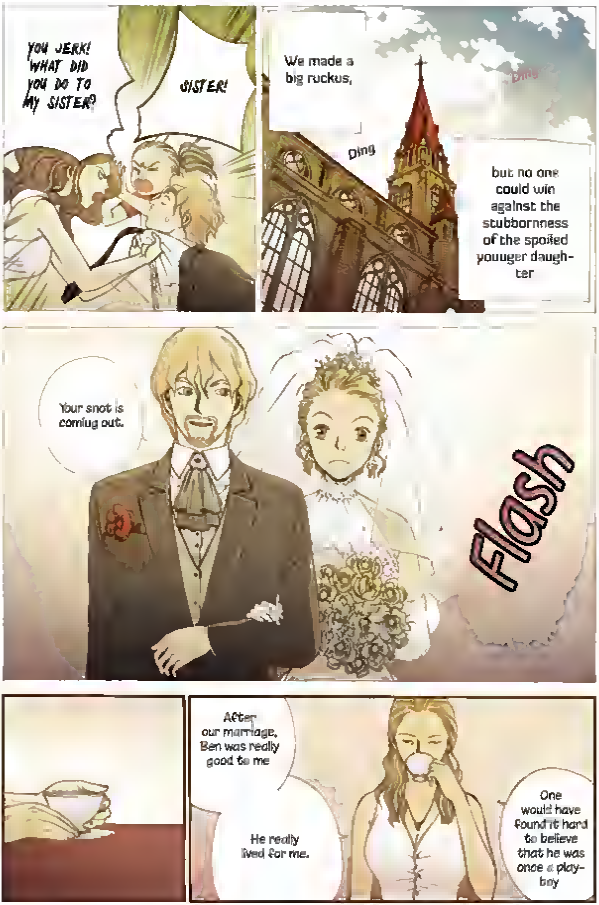
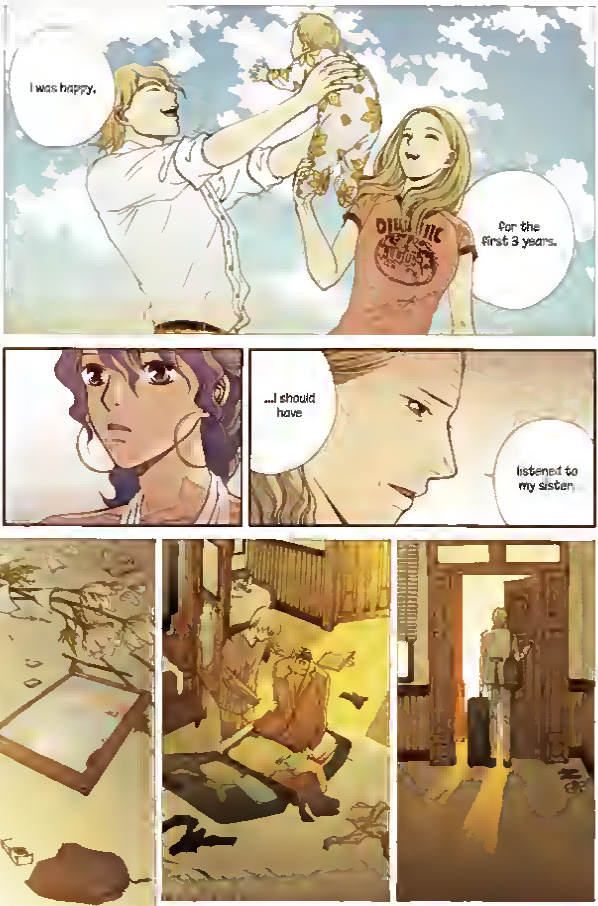
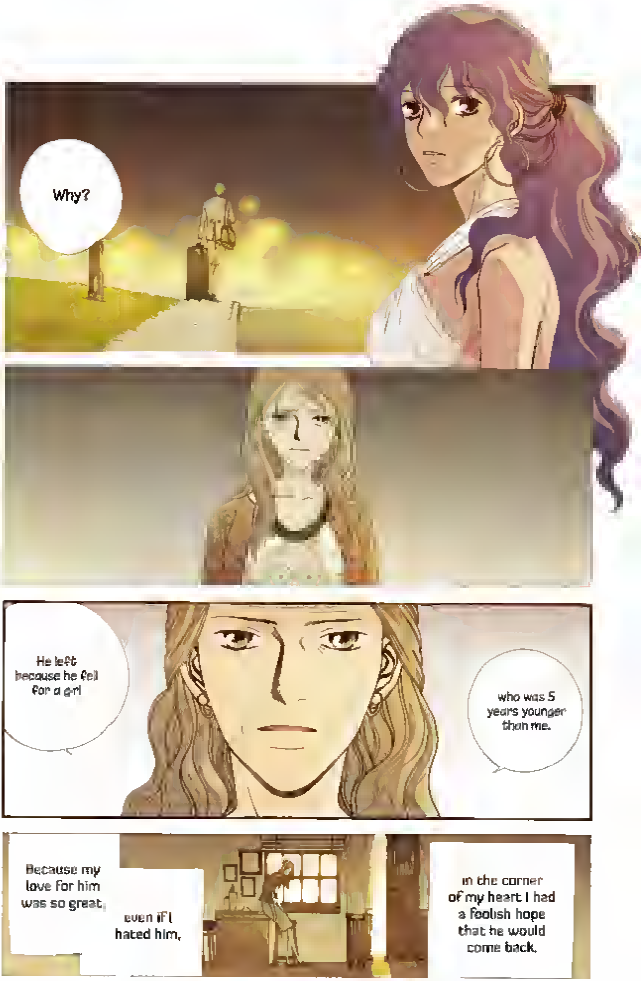
Uhm, what was the age difference?
12 years.
It was a very opposed marriage.
The worst was my sister
NO WAY!
YOU DON'T KNOW HIM THAT WELL, MONICA!
SIS, PLEASE...
NEVER, NEVER!
THIS JERK WOULD EVEN LIKE A DOG IF IT'S A FEMALE.
I'M SURE HE WILL MAKE YOU CRY!
I DON'T CARE! I CHOSE THIS!
AND WHAT DOG?! EVEN IF BEN IS A PERVERT, THAT WAS HARSH!
Excuse me, can I please get angry?



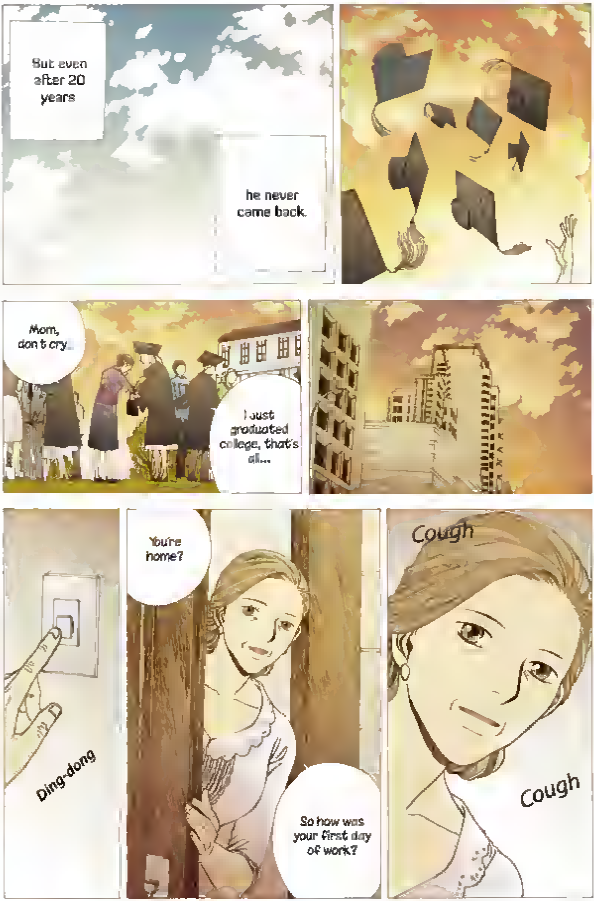
YOU JERK! WHAT DID YOU DO TO MY SISTER?
SISTER!
We made a big ruckus,
Ding
Dong
but no one could win against the stubbornness of the spoiled younger daughter
Your snot is coming out.
Flash
After our marriage, Ben was really good to me
He really lived for me.
One would have found it hard to believe that he was once a playboy



I was happy,
for the first 3 years.
...I should have
listened to my sister



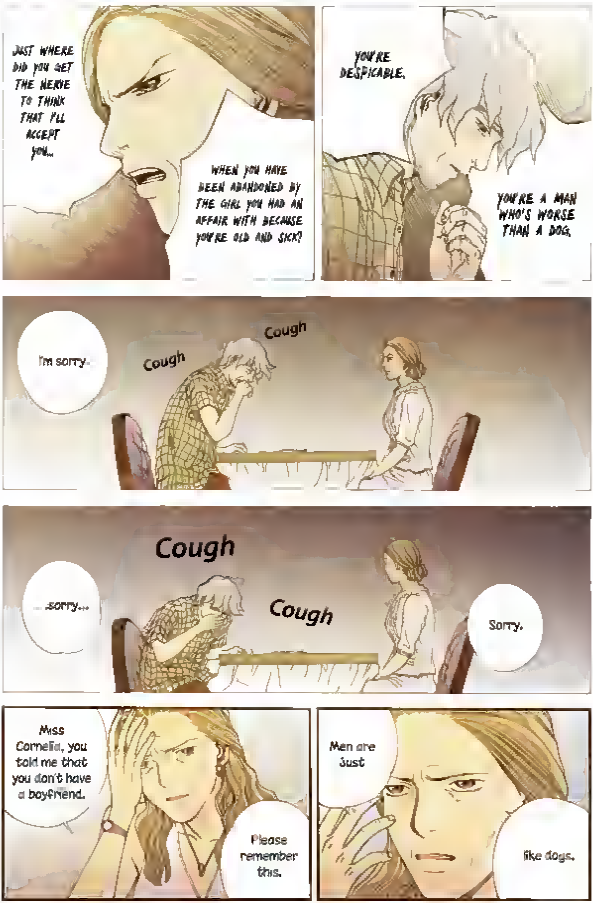
Why?
He left because he fell for a girl
who was 5 years younger than me.
Because my love for him was so great,
even if I hated him,
in the corner of my heart I had a foolish hope that he would come back.



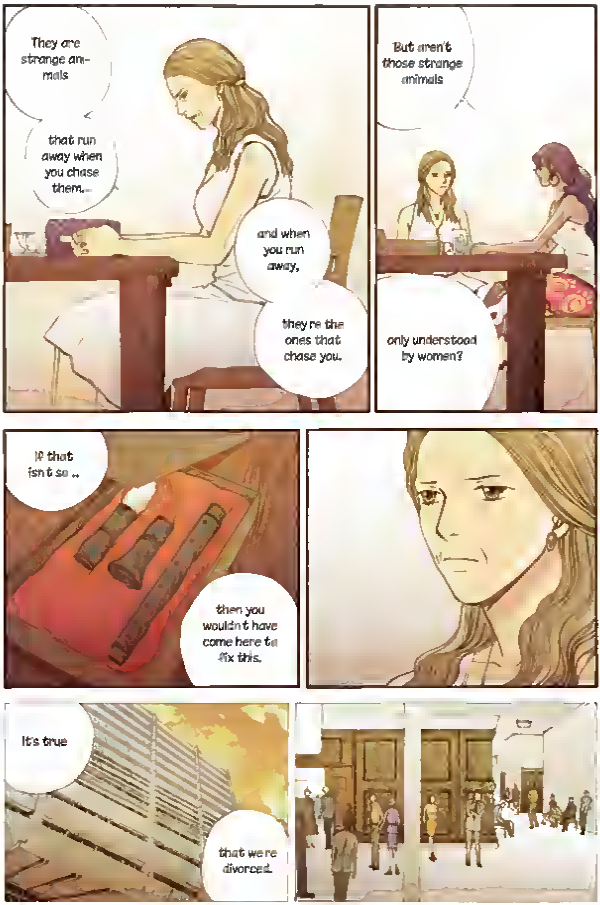
But even after 20 years
he never came back.
Mom, don't cry..
I just graduated college, that's all...
Ding-dong
You're home?
So how was your first day of work?
Cough
Cough

Who are you?
Have... you been... well?
Cough
GO!
GET OUT OF MY HOUSE THIS INSTANT!
GET OUT!

The nerve he's got!
How dare he shamelessly come back to me?
I'm so furious...
So..
What... Is this?
Can't you see it? They're divorce papers.
My sister was right.
You are worse than a dog.



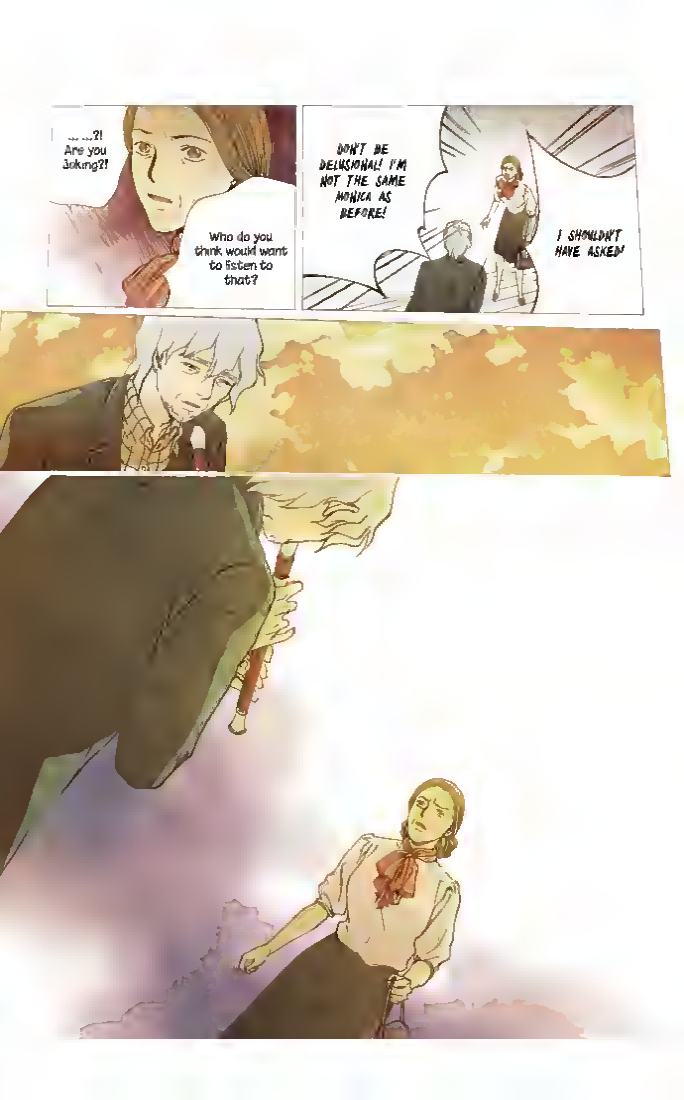
JUST WHERE DID YOU GET THE NERVE TO THINK THAT I'LL ACCEPT YOU...
WHEN YOU HAVE BEEN ABANDONED BY THE GIRL YOU HAD AN AFFAIR WITH BECAUSE YOU'RE OLD AND SICK?
YOU'RE DESPICABLE.
YOU'RE A MAN WHO'S WORSE THAN A DOG.
I'm sorry.
Cough
Cough
...sorry...
Cough
Cough
Sorry.
Miss Cornelia, you told me that you don't have a boyfriend.
Please remember this.
Men are just
like dogs.



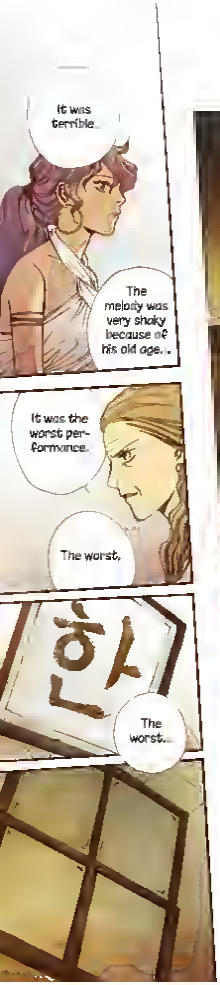
They are strange animals
that run away when you chase them...
and when you run away,
they're the ones that chase you.
But aren't those strange animals
only understood by women?
If that isn't so ..
then you wouldn't have come here to fix this.
It's true
that we're divorced.

Now we are truly separated
I can't believe that I've only ended the 22 years of night-mare I had with you today.
I should hold a party with my daughter tonight.
She had also hoped for our separation as well

Cough
Cough
Cough
Just one question.
Why did you come back
when you knew we would get divorced?
Why
did you come back?
I wanted to...
Play... this for you...



... ...?!
Are you
joking?!
Who do you
think would want
to listen to
that?
DON'T BE
DELUSIONAL! I'M
NOT THE SAME
MONICA AS
BEFORE!
I SHOULDN'T
HAVE ASKED!



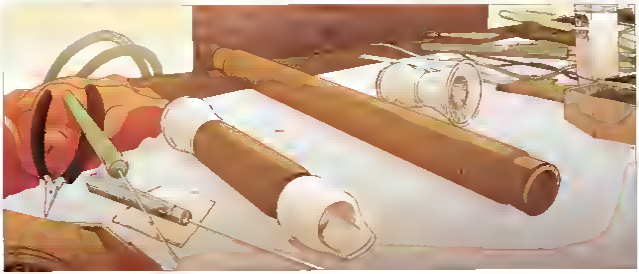
It was terrible...
The melody was very shaky because of his old age...
It was the worst performance.
The worst.
The worst...

We are divorced.
But I accepted him.
It's been 6 years since we've been living together.
Miss Cornelia. Time... makes love fade away,
but it also makes hatred fade away.

Don't you think

we women are really

strange animals as well?



<Time After Time>
The song is surely better.
Hello? What?
Ben and the children did it again?
Let me speak to him.
Ben, why do you keep acting like a child?
Didn't I tell you that I'll really kick you out of my house
If you fight with my grandchild one more time?!
All right, all right.
I'll buy you that muffin you like so don't fight, Ben!

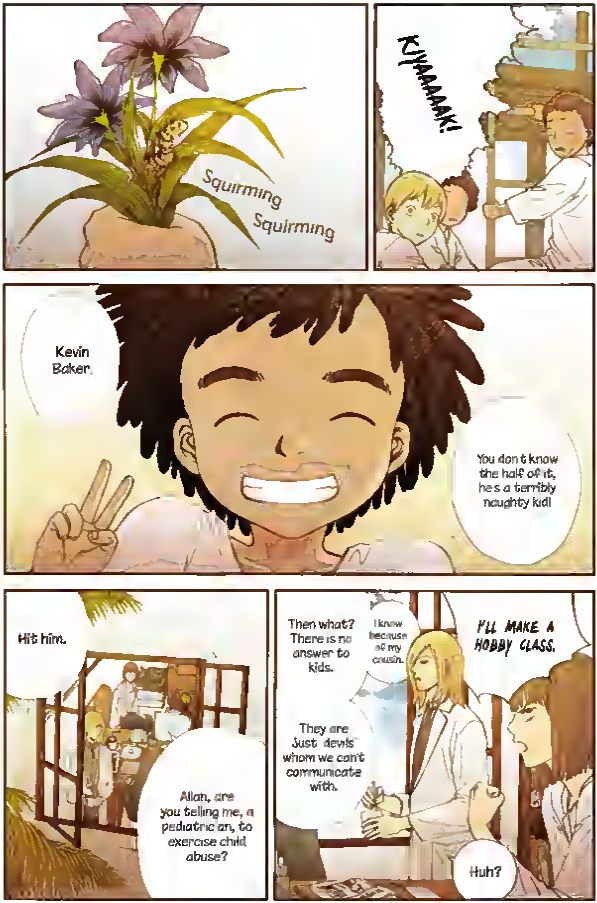
# WESTWOOD VIBRATO 시즌 2

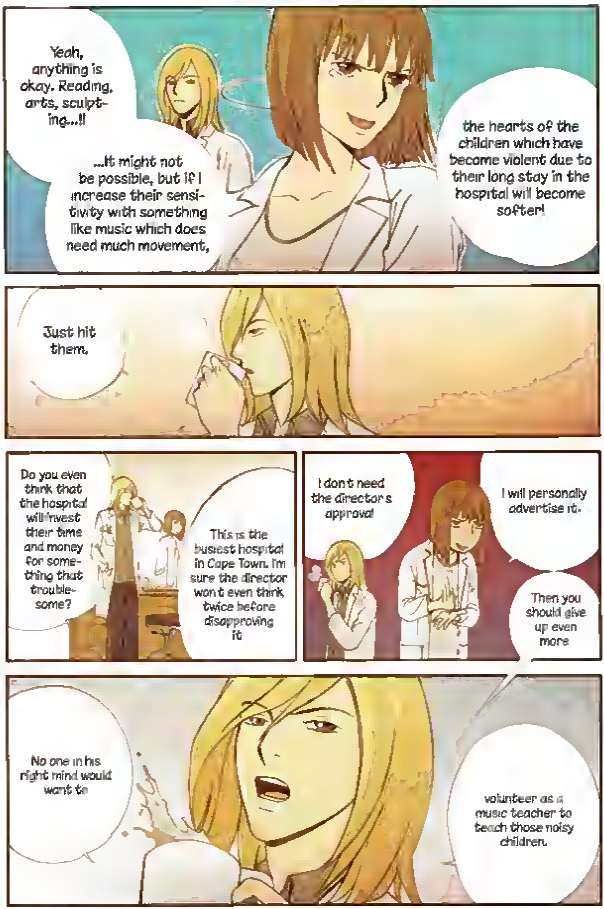
윤인완 + 김선희

by Ylab

Doctor Hera!
Kevin! Is this for me?
I'm touched!
Eh?

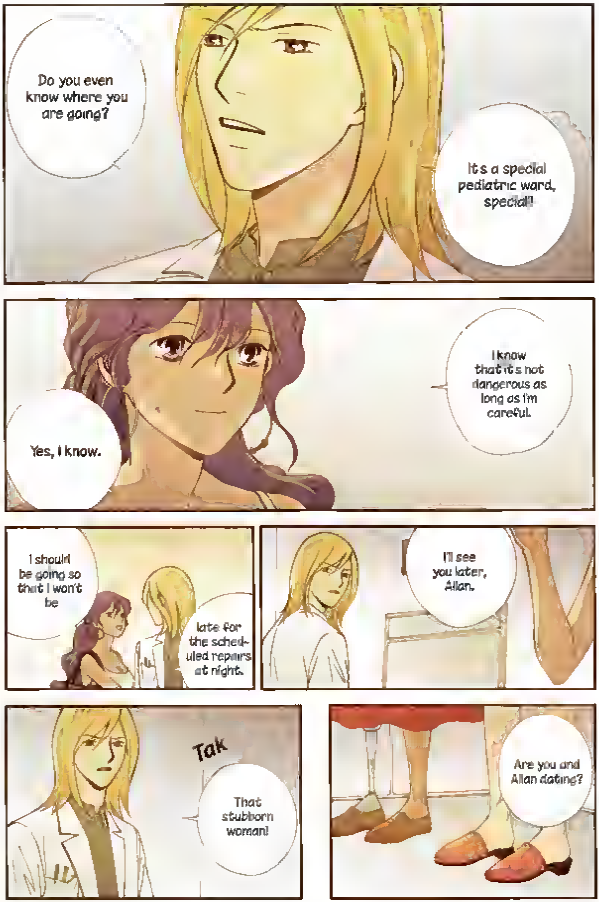


Squirming
Squirming
KUWAAAAK!
Kevin Baker.
You don't know the half of it, he's a terribly naughty kid!
Hit him.
Allan, are you telling me, a pediatrician, to exercise child abuse?
Then what? There is no answer to kids.
I know because of my cousin.
They are just devils whom we can't communicate with.
I'll make a hobby class.
Huh?

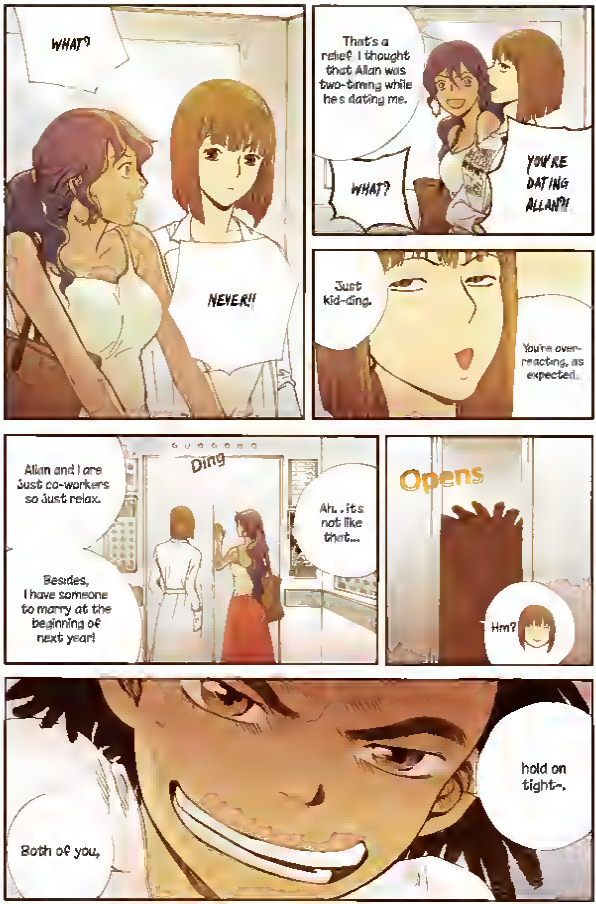


Yeah, anything is okay. Reading, arts, sculpting...!!
...It might not be possible, but if I increase their sensitivity with something like music which does need much movement,
the hearts of the children which have become violent due to their long stay in the hospital will become softer!
Just hit them.
Do you even think that the hospital will invest their time and money for something that troublesome?
This is the busiest hospital in Cape Town. I'm sure the director won't even think twice before disapproving it
I don't need the director's approval
I will personally advertise it.
Then you should give up even more
No one in his right mind would want to
volunteer as a music teacher to teach those noisy children.

Good morning. I'm the one who volunteered as the music teacher of the special pediatric ward.
Cornelia Bobo Warshaw
Oh yeah, I forgot about her
I'm so glad that I found her faster then I expected.
Alkin, say hi. She owns an instrument repair shop...
Cornelia
Eh?
Can we talk?
HUH? YOU GUYS KNEW EACH OTHER?
ALLAN, WHERE ARE YOU GOING?
Slam



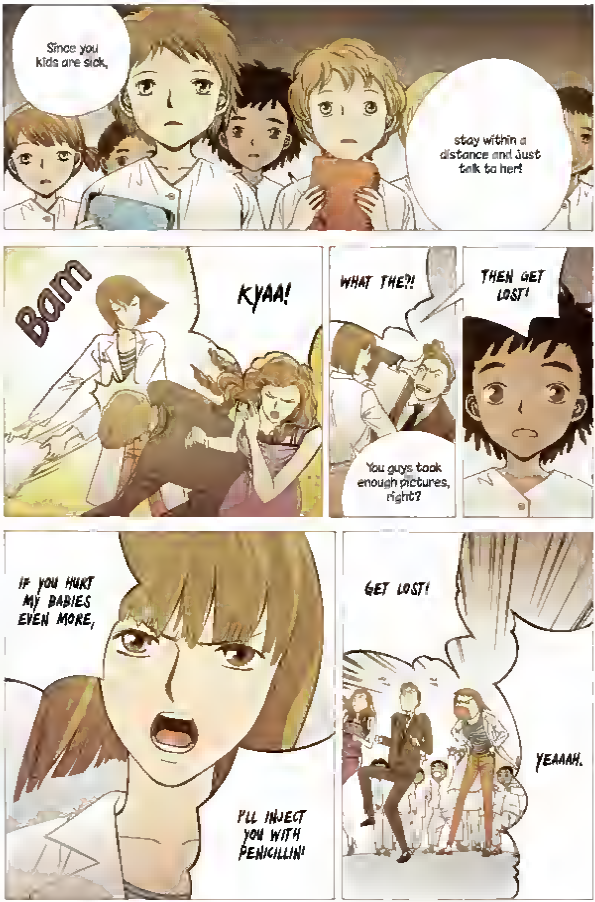
Do you even know where you are going?
It's a special pediatric ward, special!!
Yes, I know.
I know that it's not dangerous as long as I'm careful.
I should be going so that I won't be
late for the scheduled repairs at night.
I'll see you later, Allan.
Tak
That stubborn woman!
Are you and Allan dating?



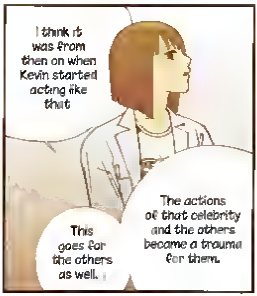
WHAT?
NEVER!!
That's a relief. I thought that Allan was two-timing while he's dating me.
WHAT?
YOU'RE DATING ALLAN?!
Just kid-ding.
You're over-reacting, as expected.
Allan and I are just co-workers so just relax.
Besides, I have someone to marry at the beginning of next year!
Ding
Ah.. it's not like that...
Opens
Hm?
Both of you,
hold on tight~.

KYAAK!
YOU!
HEHEHEHE.
It was around last year when Kevin was hospitalized.

IT'S ALRIGHT, IT'S ALRIGHT! JUST HANG IN THERE, LISA.
During that time, he was a really quiet kid.
Waaaahh.
Strong medicines and injections plus examinations enough to exceed a day
Kevin never showed even the slightest cringe.
Without him knowing, Kevin became the leader of the special pediatric ward.
Kids younger than him and even those of his age followed him because of his maturity...
But then one day,
a celebrity came to the hospital as a consolatory visit.
Wow.
Please give me your autograph!!
No.
Don't come any closer than that.



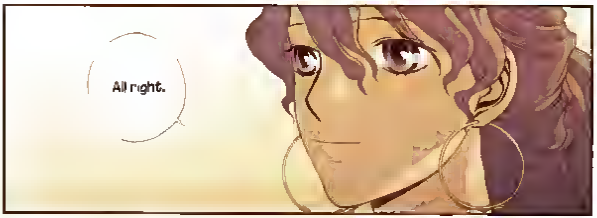
Since you kids are sick,
stay within a distance and just talk to her!
Bam
KYAA!
WHAT THE?!
You guys took enough pictures, right?
THEN GET LOST!
IF YOU HURT MY BABIES EVEN MORE,
I'LL INJECT YOU WITH PENICILLIN!
GET LOST!
YEAAAH.



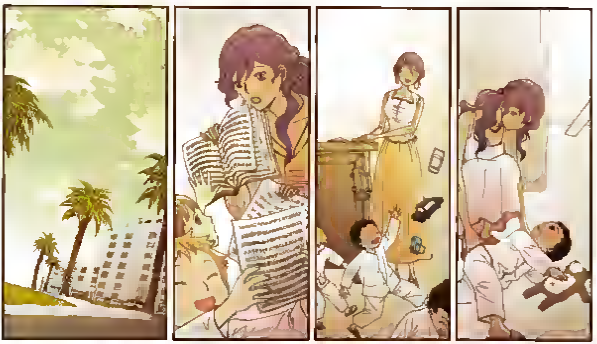
I think it was from then on when Kevin started acting like that!
The actions of that celebrity and the others became a trauma for them.
This goes for the others as well.

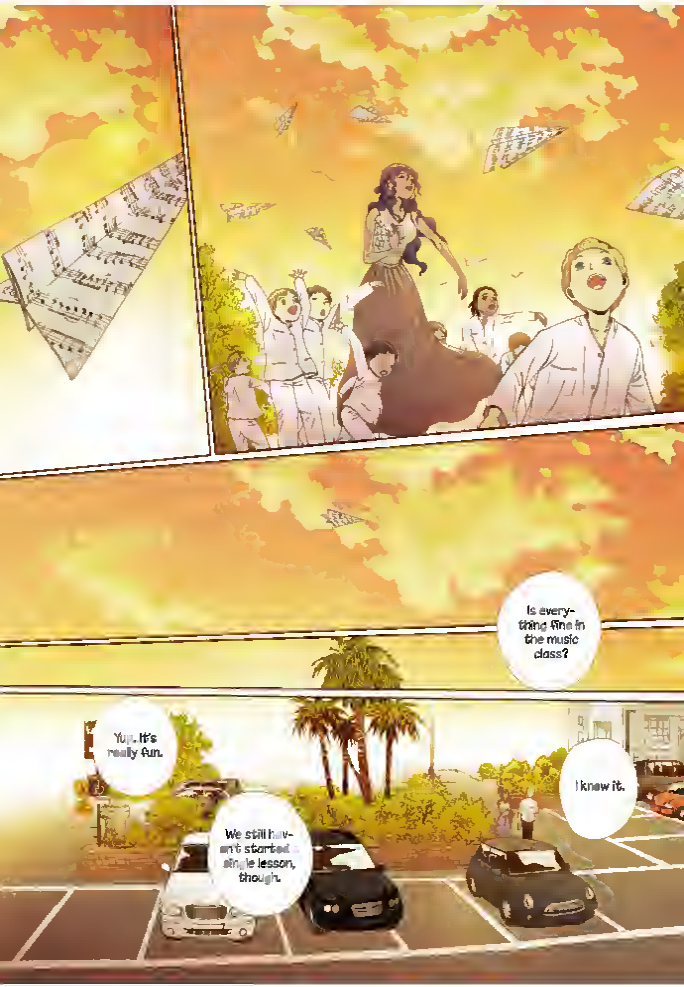
The children in the special pediatric ward may cause
a lot of mischief, but they are good children.

Please take care of them Miss Cornelia.



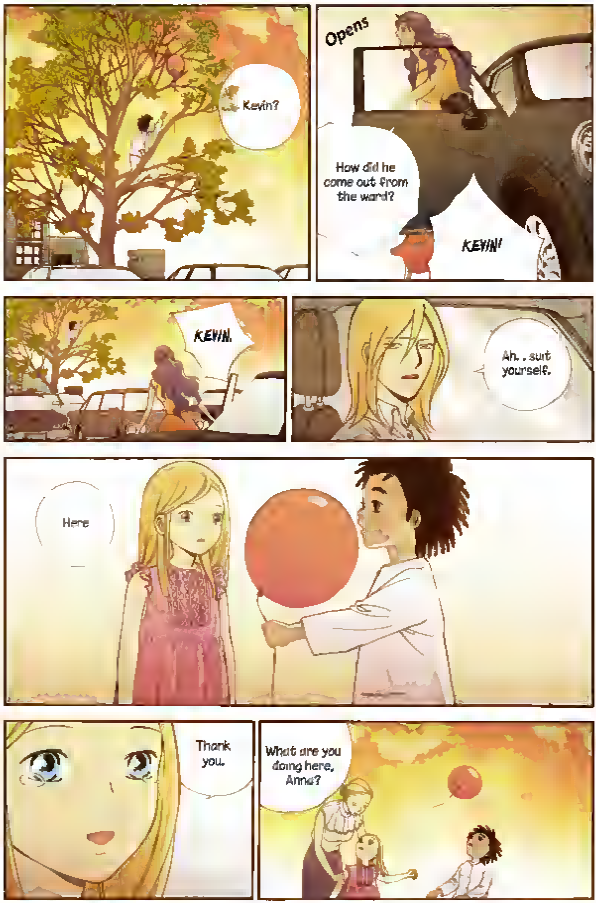
All right.



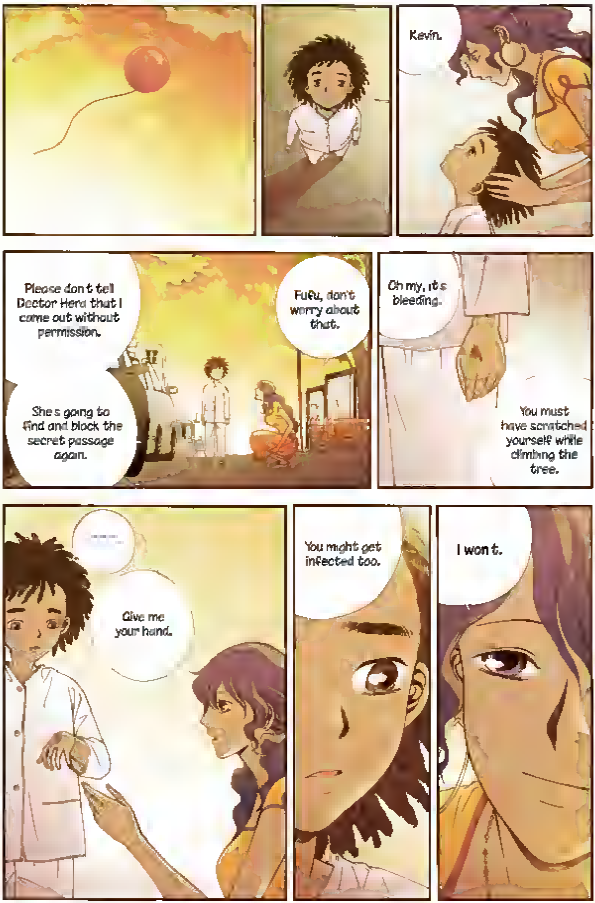


Is everything fine in the music class?
Yup. It's really fun.
We still haven't started a single lesson, though.
I knew it.

Don't take this the wrong way.
I want you to quit that music class.
Why?
You don't take those children's disease seriously
Come on, Allan. There's nothing dangerous.
The safety isn't the problem here
The hearts of those children who fight against diseases are easier to shatter than glass.
You are an unstable outsider for us since you don't know anything about medicine.
I won't ask you to quit this instant, but don't do it for a long time.
This is an order from your physician.
No
What does a physician have to do with that!
HEY, YOU!
Huh? That's...



Kevin?
Opens
How did he come out from the ward?
KEVIN!
KEVIN.
Ah.. suit yourself.
Here
Thank you.
What are you doing here, Anna?



Kevin.
Please don't tell Doctor Hend that I come out without permission.
She's going to find and block the secret passage again.
Fuku, don't worry about that.
Oh my, it's bleeding.
You must have scratched yourself while climbing the tree.
Give me your hand.
You might get infected too.
I won't.

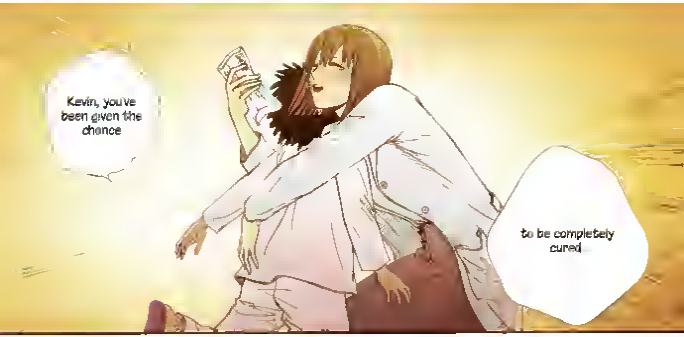
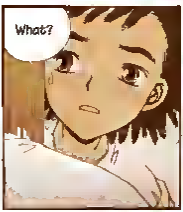
Track 12.02 Missa de Angelis

Gregorian Chant
Mass No 8



Kevin, you've been given the chance
to be completely cured



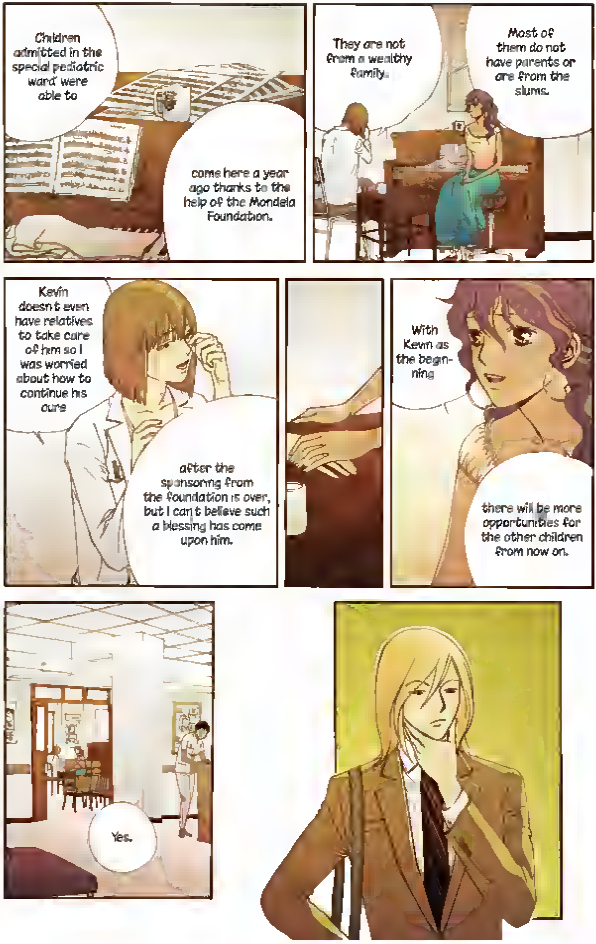
What?

We've just received a call from UNICEF.
Kevin, you've been chosen to be in the Child Disease Managing Program held in America.

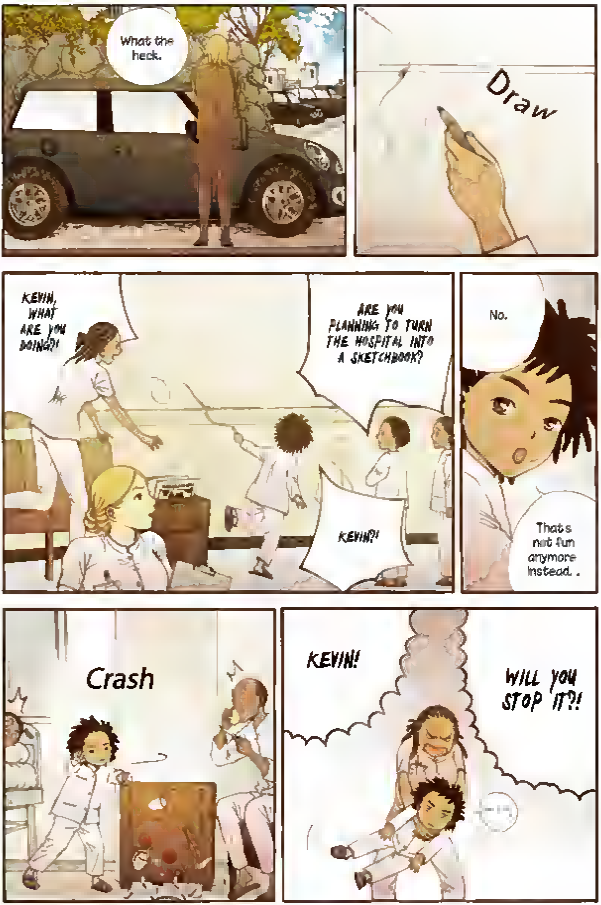
America?
Then Kevin is going to America?
Yeah. They have much better hospitals and doctors there in America
I'm sure they can fully cure Kevin's sickness.

WOW-.
WOW-.

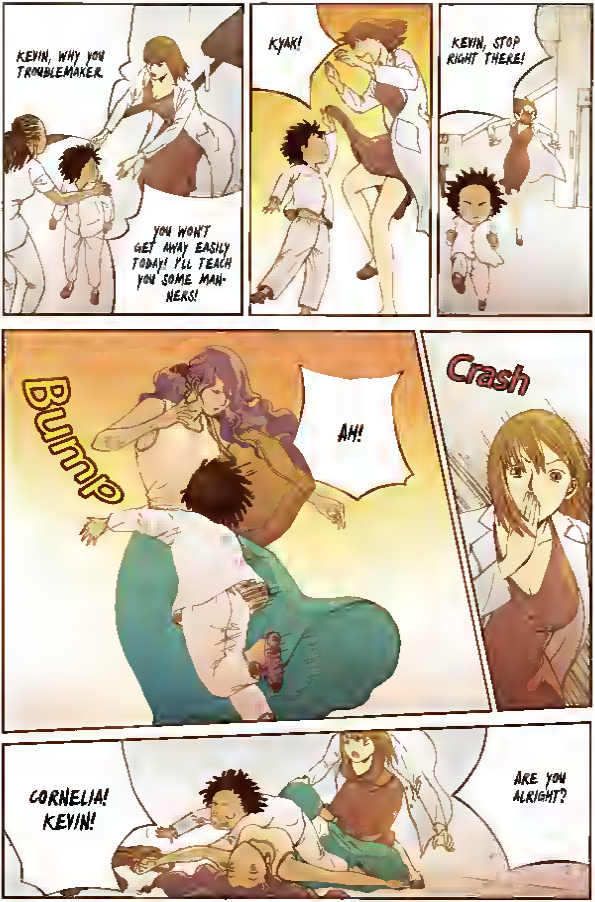
KEVIN IS GOING TO BE CURED!



Children admitted in the special pediatric ward were able to
come here a year ago thanks to the help of the Mandela Foundation.
They are not from a wealthy family.
Most of them do not have parents or are from the slums.
Kevin doesn't even have relatives to take care of him so I was worried about how to continue his care
after the sponsoring from the foundation is over, but I can't believe such a blessing has come upon him.
With Kevin as the beginning
there will be more opportunities for the other children from now on.
Yes.

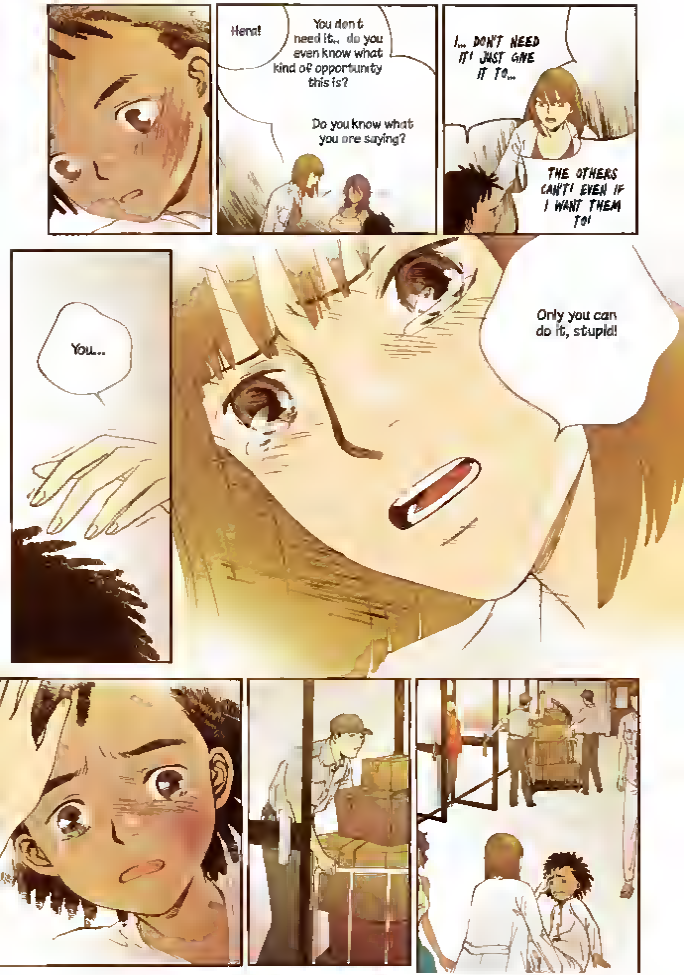


What the heck.
Draw
KEVIN, WHAT ARE YOU DOING?!
ARE YOU PLANNING TO TURN THE HOSPITAL INTO A SKETCHBOOK?
KEVIN?!
No.
That's not fun anymore Instead. .
Crash
KEVIN!
WILL YOU STOP IT?!

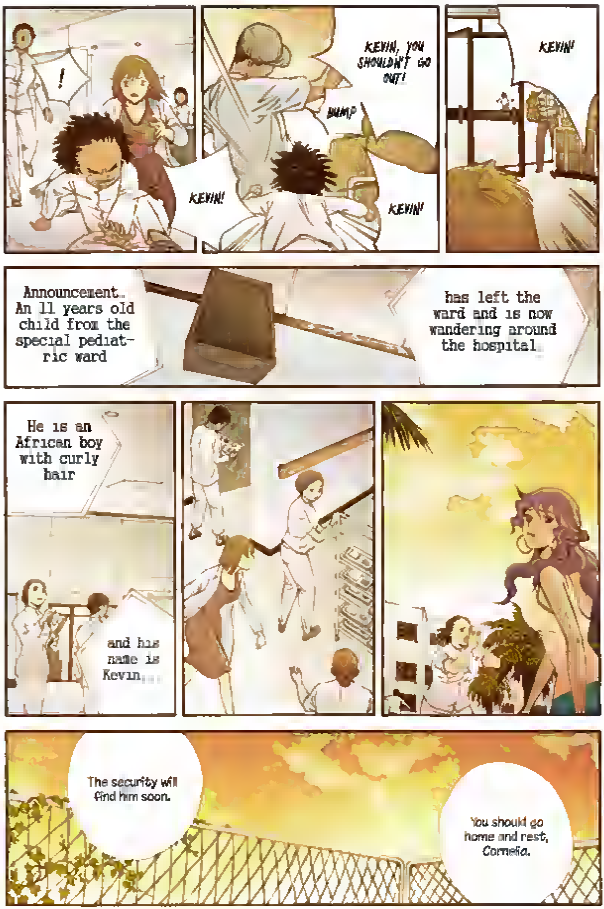


KEVIN, WHY YOU TROUBLEMAKER.
YOU WON'T GET AWAY EASILY TODAY! I'LL TEACH YOU SOME MANNERS!
KYAK!
KEVIN, STOP RIGHT THERE!
Bump
AH!
Crash
CORNELIA! KEVIN!
ARE YOU ALRIGHT?

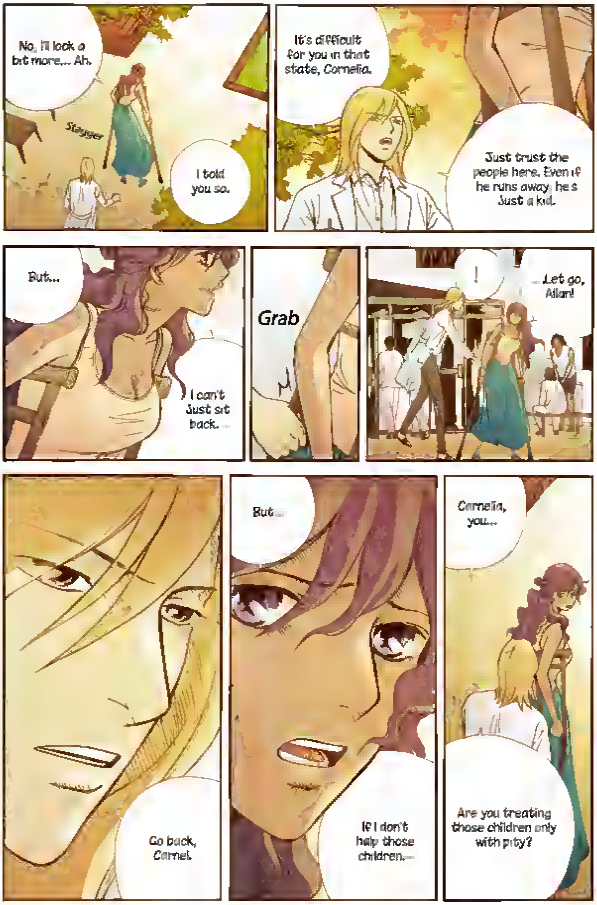
AH?
KEVIN, WHAT IS THE MEANING OF THIS?! WHY DO YOU KEEP CAUSING TROUBLE?!
I AM A TROUBLEMAKER. YOU KNOW THAT TOO!
WHAT?
Im... not good...
SO JUST GIVE THAT SURGERY OR WHATEVER...
TO THE REALLY GOOD KIDS!
Slap



Hensi!
You don't need it... do you even know what kind of opportunity this is?
Do you know what you are saying?
I... DON'T NEED IT! JUST GIVE IT TO...
THE OTHERS CAN'T! EVEN IF I WANT THEM TO!
You...
Only you can do it, stupid!

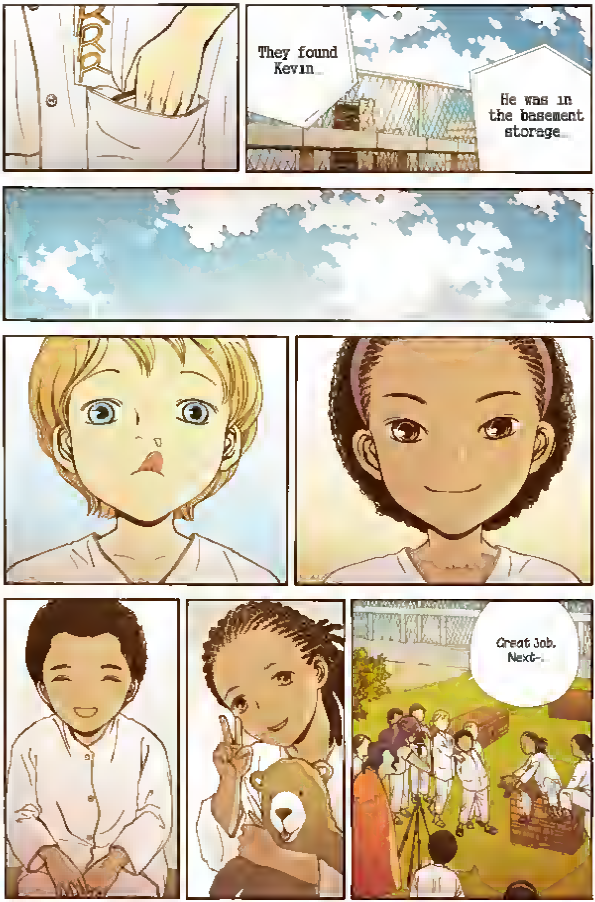


!
KEVIN!
KEVIN, YOU SHOULDN'T GO OUT!
BUMP
KEVIN!
KEVIN!
Announcement. An 11 years old child from the special pediatric ward
has left the ward and is now wandering around the hospital.
He is an African boy with curly hair
and his name is Kevin...
The security will find him soon.
You should go home and rest, Cornelia.



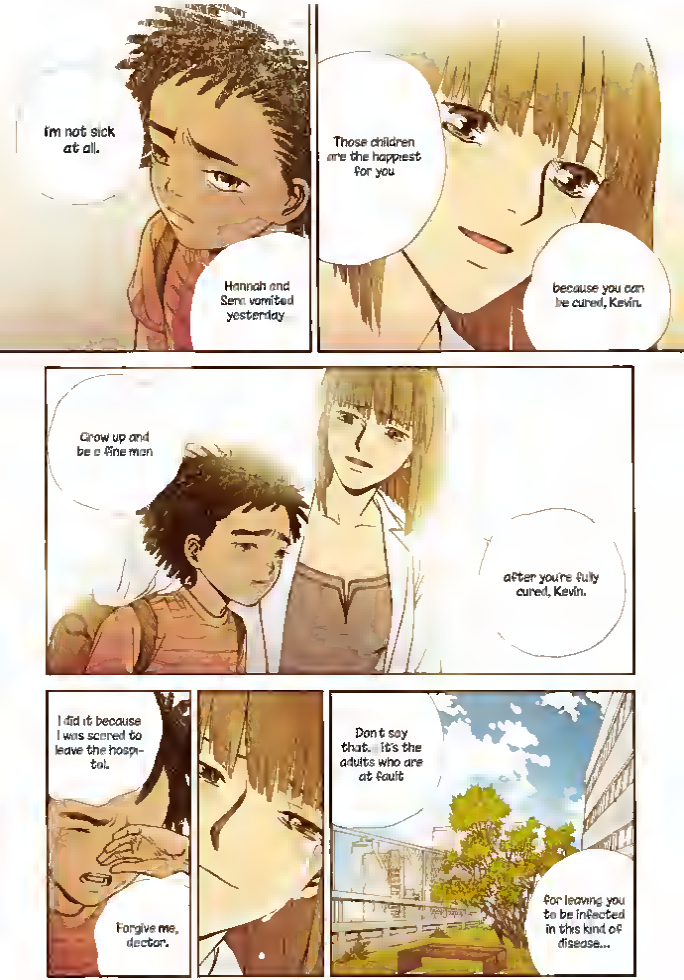
No, I'll look a bit more... Ah.
Stranger
I told you so.
It's difficult for you in that state, Cornelia.
Just trust the people here. Even if he runs away, he's just a kid.
But...
I can't just sit back.
Grab
!
Let go, Allan!
Go back, Cornel.
But...
If I don't help those children...
Cornelia, you...
Are you treating those children only with pity?

Don't look down on AIDS!!
In the ward of those children, there is a weight that even a surgeon like me can not tell.
If you can't truly understand the meaning of those children's joys and sorrows,
you might just hurt them.
In the Republic of South Africa, there are more than 1,000 children infected by AIDS
due to the mistake of their parents or the lack of hygiene
Do you think you'll be able to help all those children?
Hera is a well-trained doctor.
Just leave it to them to solve this. They have a tighter relationship than you can imagine



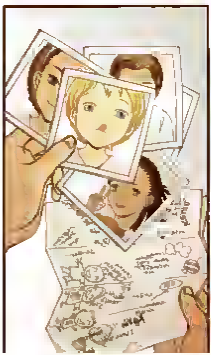
They found Kevin...
He was in the basement storage...
Great job. Next-...

Next.
Allan, America's disease management main center has come to get Kevin.
Tell them to wait for a while.
We should at least give some time for the mother
and the son before their farewell.
How come I'm the only one eligible for the cure?
Everyone has the same sickness and we're all family.



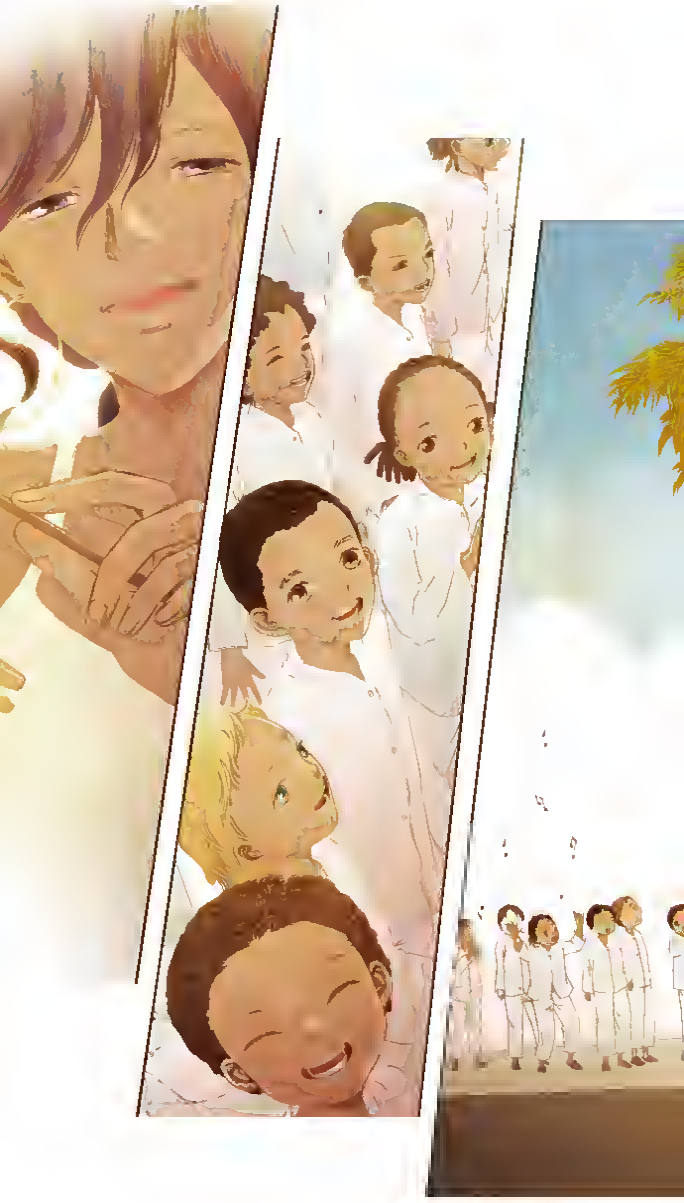
I'm not sick at all.
Hannah and Sera vomited yesterday
Those children are the happiest for you
because you can be cured, Kevin.
Grow up and be a fine man
after you're fully cured, Kevin.
I did it because I was scared to leave the hospital.
Forgive me, doctor.
Don't say that. It's the adults who are at fault
for leaving you to be infected in this kind of disease...

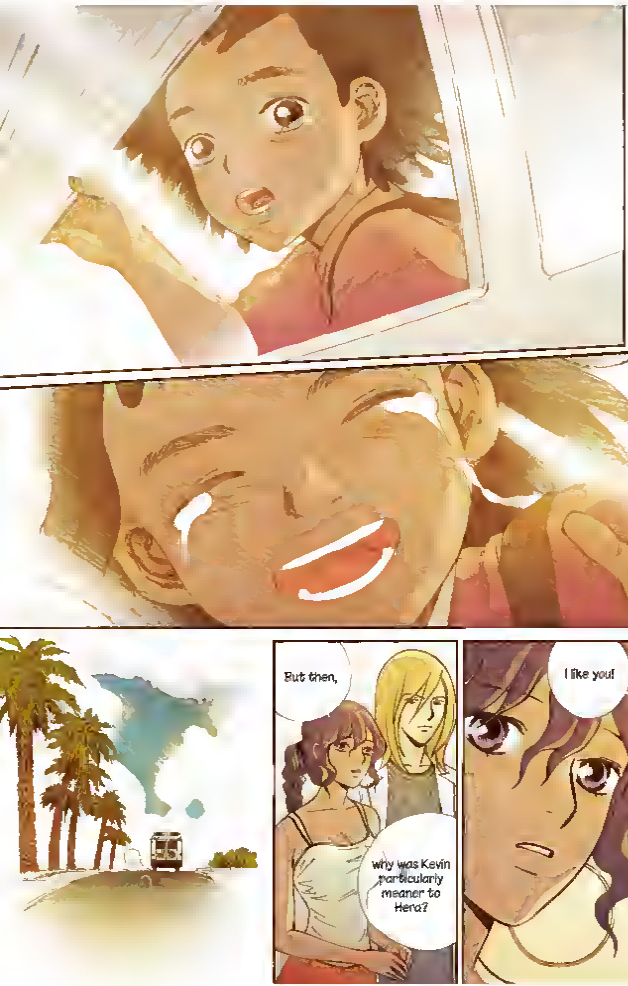
AMBULANCE
42547715
42576328



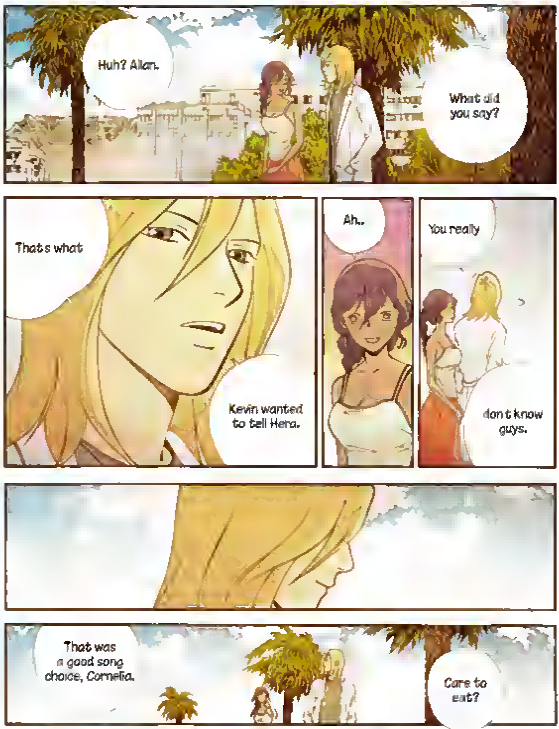
There he comes.
Ready!

The title is «Missa de Angelis, Kyrie».





But then,
why was Kevin particularly meaner to Hera?
I like you!



Huh? Allan.
What did you say?
That's what
Kevin wanted to tell Hera.
Ah..
You really
don't know guys.
That was a good song choice, Cornelia.
Care to eat?

How many times is this, Miss Cornelia?!
It's crucial to write the correct address for over-sea deliveries!!

This is bad. The customer requested it to be sent by this week but it's been returned.
I'm sure I copied it correctly.
It says, 'Please leave it in the security office in case of absence.'

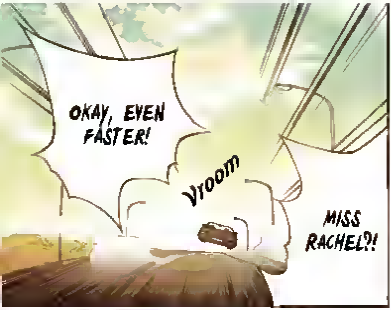
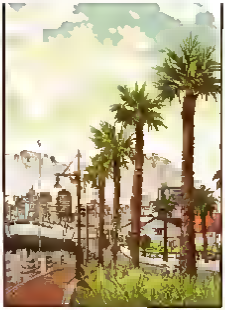
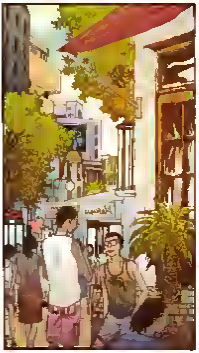
I'm Rachel.
I moved in next door.
Ne-next door?
Whoosh....
I was trying to find a mart but it's empty around here.
Ah... you can't just go in...
This was actually the closest house from mine.
So, I was thinking...

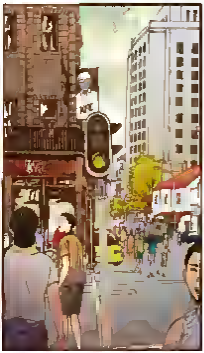
Since I helped you once,
you should help me too.
What?
Vuaaaang
MISS RACHEL, DRIVE SLOWLY!!
YOO HOO!

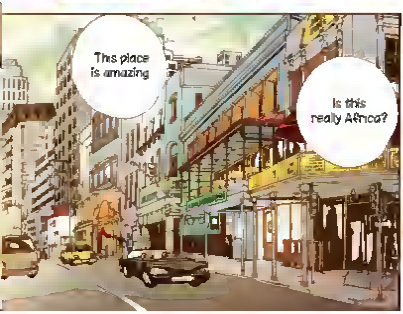


OKAY, EVEN FASTER!
Vroom
MISS RACHEL?!

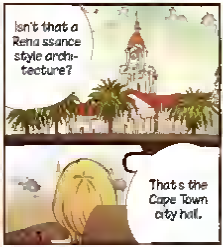




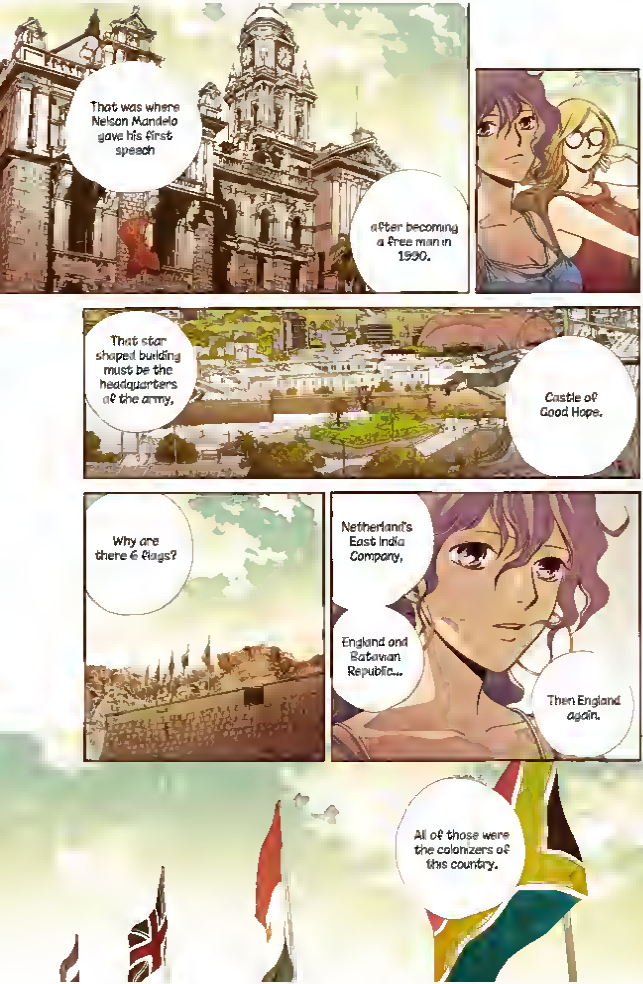




This place is amazing
Is this really Africa?

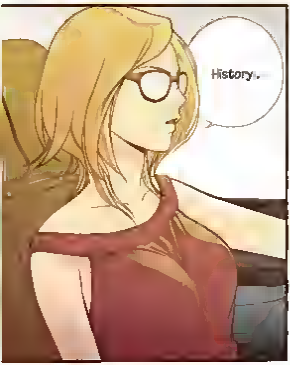


Isn't that a Renaissance style architecture?
That's the Cape Town city hall.



That was where Nelson Mandela gave his first speech
after becoming a free man in 1990.
That star shaped building must be the headquarters of the army.
Castle of Good Hope.
Why are there 6 flags?
Netherland's East India Company,
England and Batavian Republic...
Then England again.
All of those were the colonizers of this country.

The flag of the Republic of South Africa was newly born in 1994.
Red symbolizes the blood shed until now, green and blue represents the nature
Yellow for resources ..
Black and white symbolizes the peace between the Africans and the westerners.



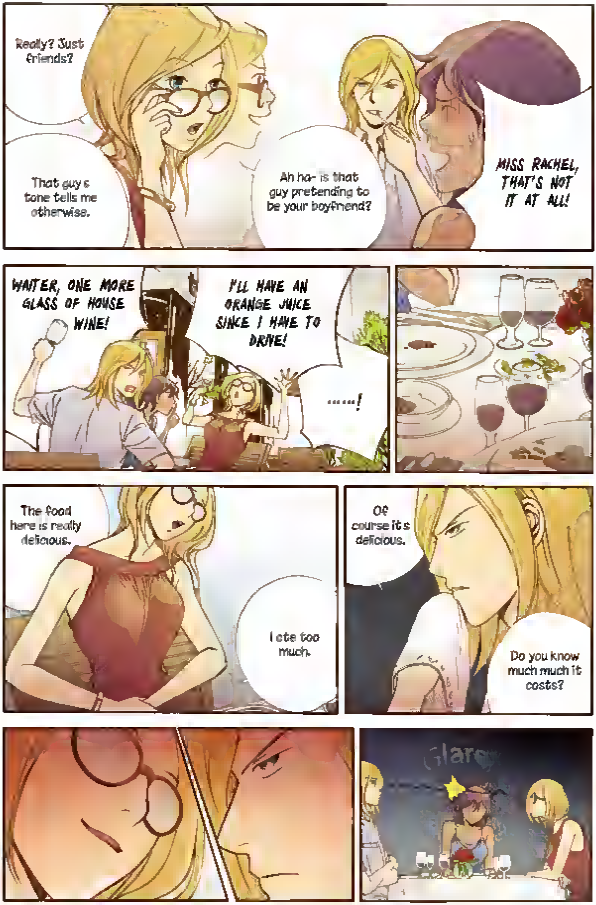
History..

And over there is-
KYAA!

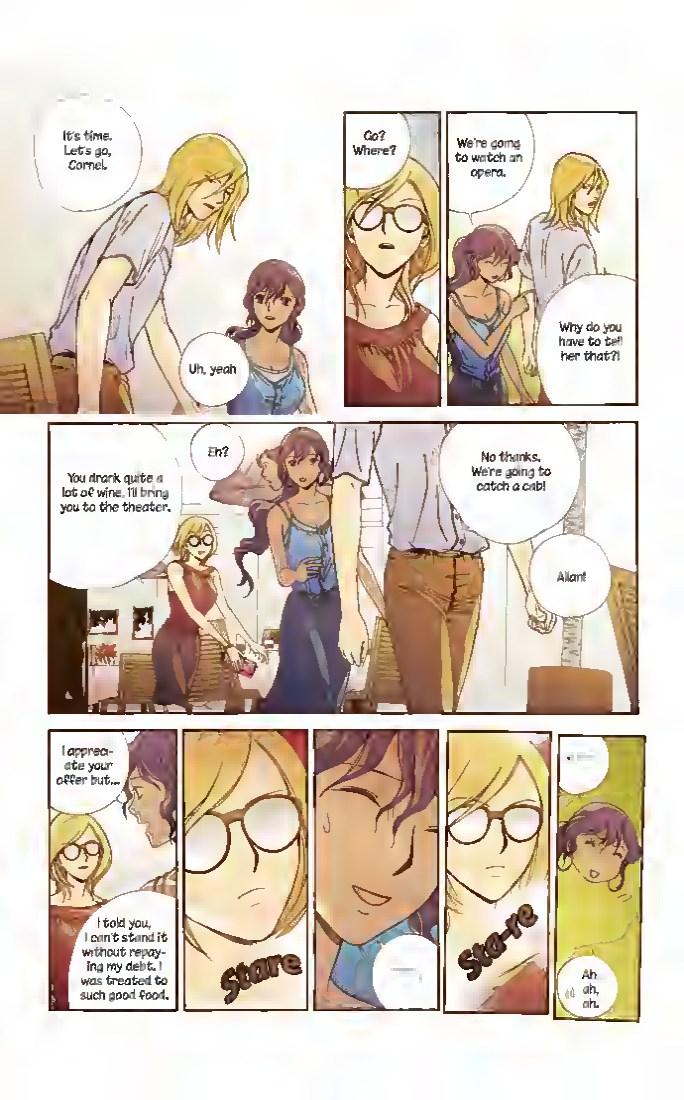
MISS RACHEL, THIS IS ABOVE THE SPEED LIMIT!

Thank you. I was able to find it easily with your help.
Now I can relax when eating grilled food.
SALE
50%
Haha.. you were looking for a mart to buy a gargle
Of course! It's a must when you eat grilled food!
Well then, I'll get going now
I have an appointment to go to.
Appointment?
Since you guided me all the way here, I'll bring you there to repay your kindness.
Oh, it's alright!
I can't stand it if I have debts.
Ah- it's really all right.

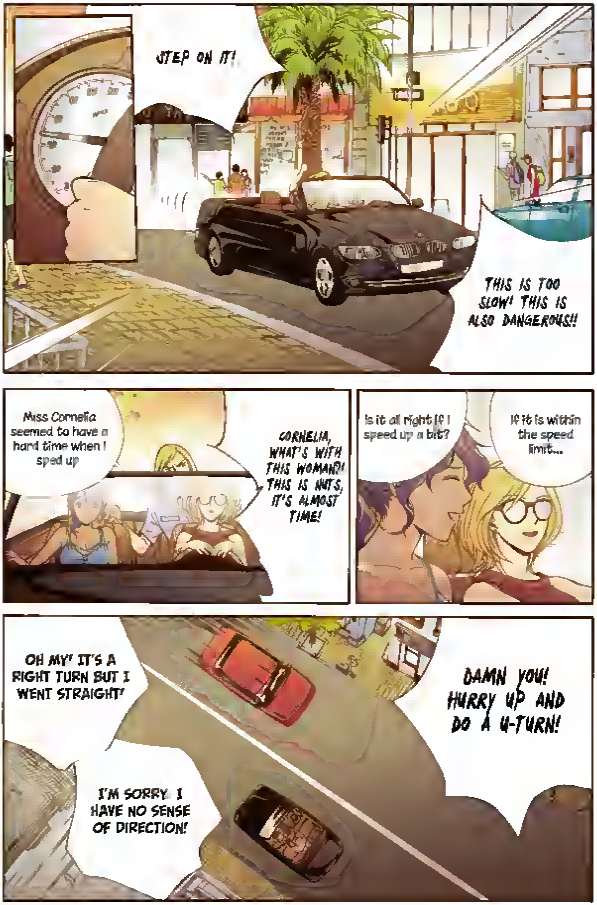
.....
So why is the person...
who brought you here still here?
Allan, don't be rude.
I asked her to have lunch with us.
I'm sorry. I didn't know you were having a date.
Not at all! He is just a friend! Please relax.
...hm.



Really? Just friends?
That guy's tone tells me otherwise.
Ah ha- is that guy pretending to be your boyfriend?
MISS RACHEL, THAT'S NOT IT AT ALL!
WAITER, ONE MORE GLASS OF HOUSE WINE!
I'LL HAVE AN ORANGE JUICE SINCE I HAVE TO DRIVE!
.....!
The food here is really delicious.
I ate too much.
Of course it's delicious.
Do you know much much it costs?



It's time. Let's go, Camel.
Uh, yeah
Go? Where?
We're going to watch an opera.
Why do you have to tell her that?!
Eh?
You drank quite a lot of wine. I'll bring you to the theater.
No thanks. We're going to catch a cab!
Allant
I apprecia-ate your offer but...
I told you, I can't stand it without repay-ing my debt. I was treated to such good food.
Stare
Stare
Ah, ah, ah.



STEP ON IT!
THIS IS TOO SLOW! THIS IS ALSO DANGEROUS!!
Miss Cornelia seemed to have a hard time when I sped up
CORNELIA, WHAT'S WITH THIS WOMAN?! THIS IS NUTS, IT'S ALMOST TIME!
Is it all right if I speed up a bit?
If it is within the speed limit...
OH MY! IT'S A RIGHT TURN BUT I WENT STRAIGHT!

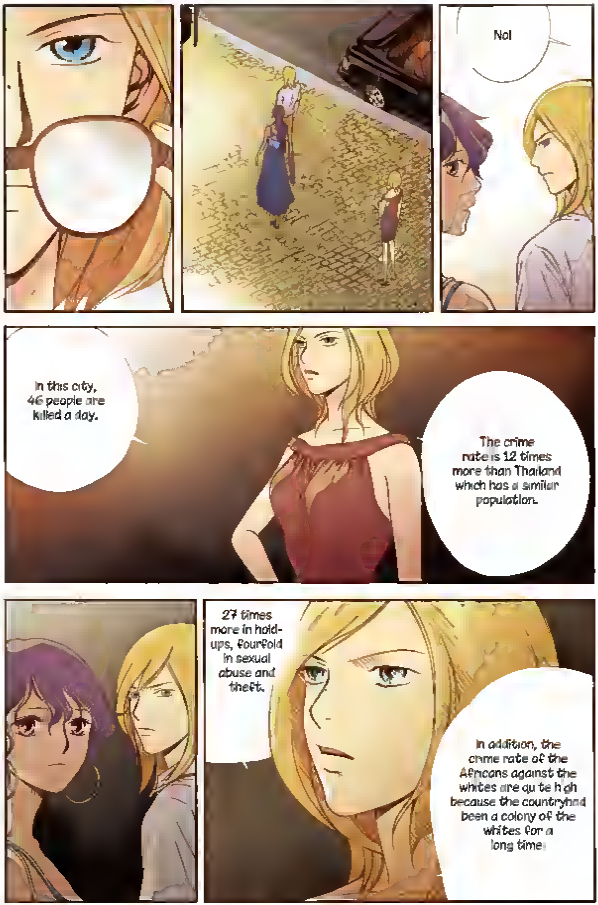
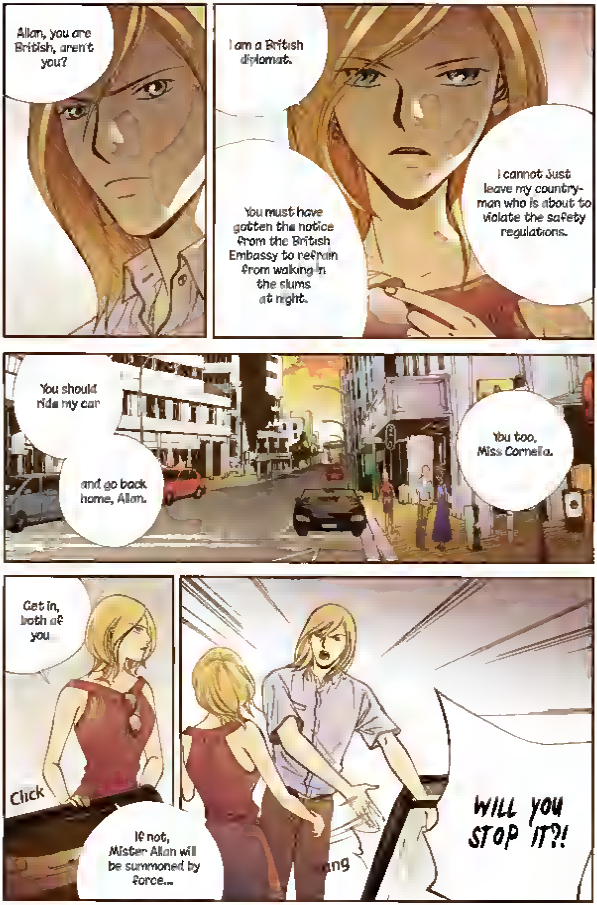
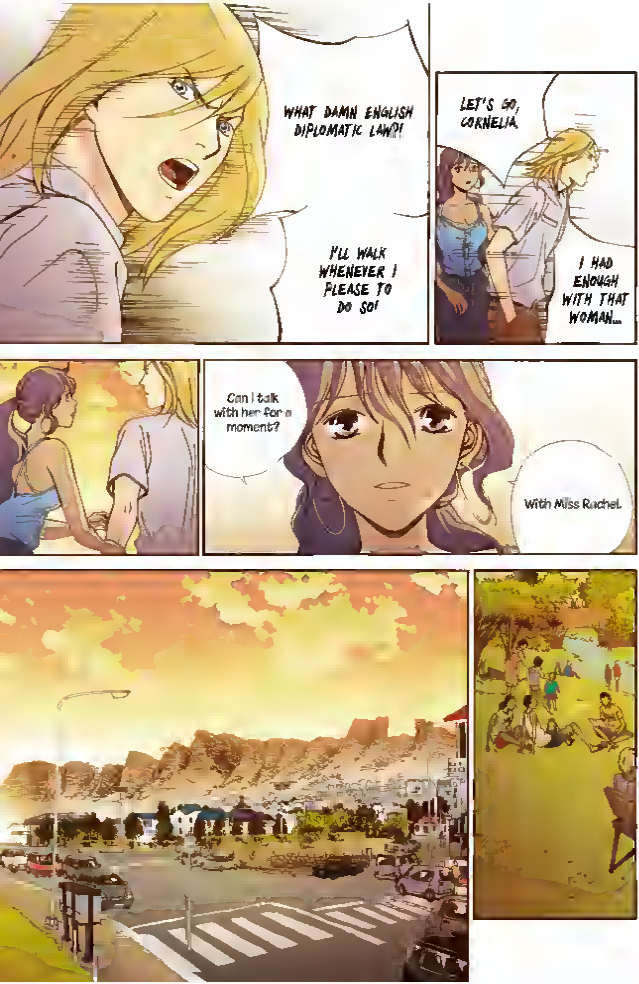
CLOSE
I'm sorry, but you are not allowed to enter
when an hour has passed since the play began.
...Since the sun has set, why don't we just go back to our homes?
Yes, we should.
I am sincerely asking you.
Let's separate from here. Go! We'll walk home.



No!
In this city, 46 people are killed a day.
The crime rate is 12 times more than Thailand which has a similar population.
27 times more in hold-ups, fourfold in sexual abuse and theft.
In addition, the crime rate of the Africans against the whites are quite high because the country hand been a colony of the whites for a long time.



Allan, you are British, aren't you?
I am a British diplomat.
You must have gotten the notice from the British Embassy to refrain from walking in the slums at night.
I cannot just leave my countryman who is about to violate the safety regulations.
You should ride my car
and go back home, Allan.
You too, Miss Cornelia.
Get in, both of you.
Click
If not, Mister Allan will be summoned by force...
WILL YOU STOP IT?!

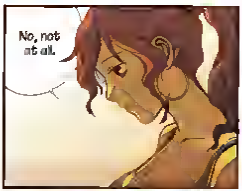


WHAT DAMN ENGLISH DIPLOMATIC LAW?!
I'LL WALK WHENEVER I PLEASE TO DO SO!
LET'S GO, CORNELIA.
I HAD ENOUGH WITH THAT WOMAN...
Can I talk with her for a moment?
With Miss Rachel.

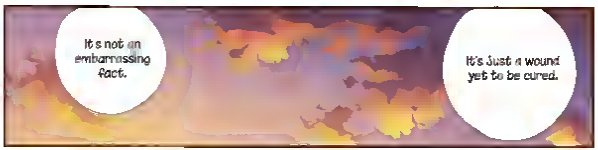
This
It's one of my favorite parks.

It is also one of the safest places in Cape Town
Take a look. Everyone has such peaceful expressions on their faces.

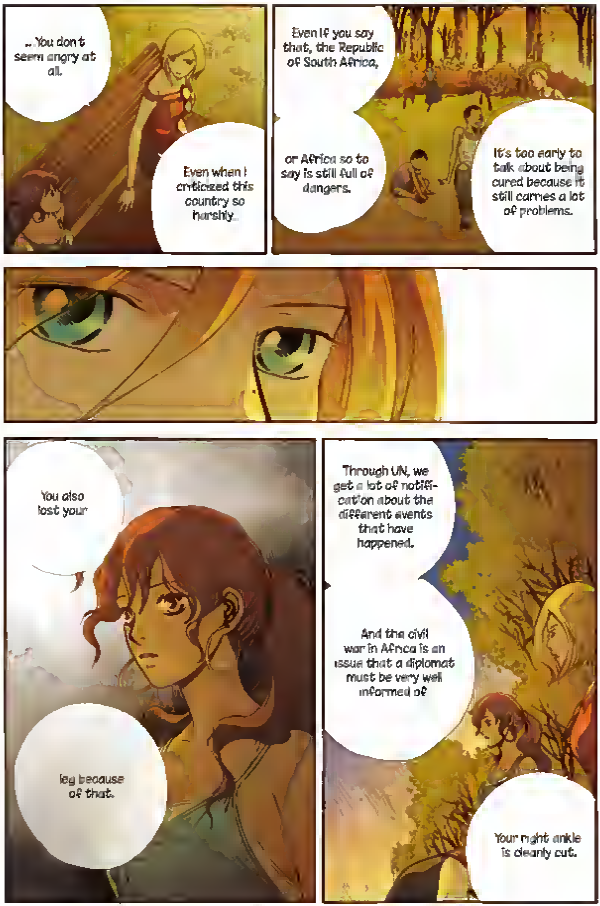
Did I offend you?
For exposing your country's embarrassing facts.



No, not at all.

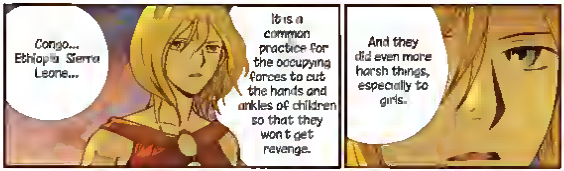


It's not an embarrassing fact.
It's just a wound yet to be cured.

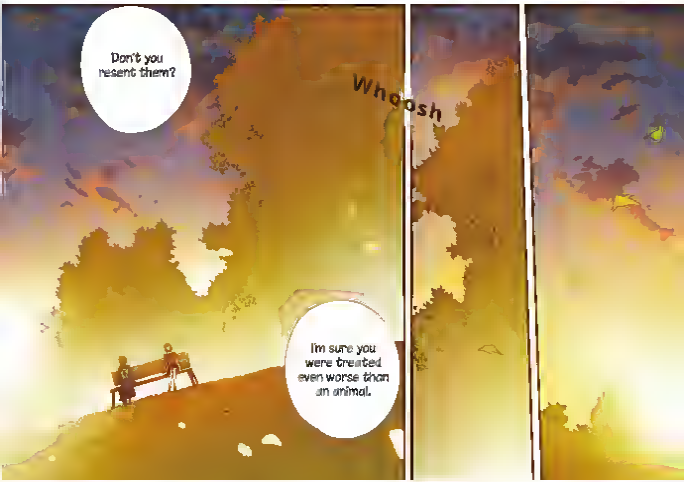


.. You don't seem angry at all.
Even when I criticized this country so harshly.
Even if you say that, the Republic of South Africa,
or Africa so to say is still full of dangers.
It's too early to talk about being cured because it still carries a lot of problems.
You also lost your
leg because of that.
Through UN, we get a lot of notification about the different events that have happened.
And the civil war in Africa is an issue that a diplomat must be very well informed of
Your right ankle is cleanly cut.

Wasn't it chopped away?
In a place like a diamond mine.

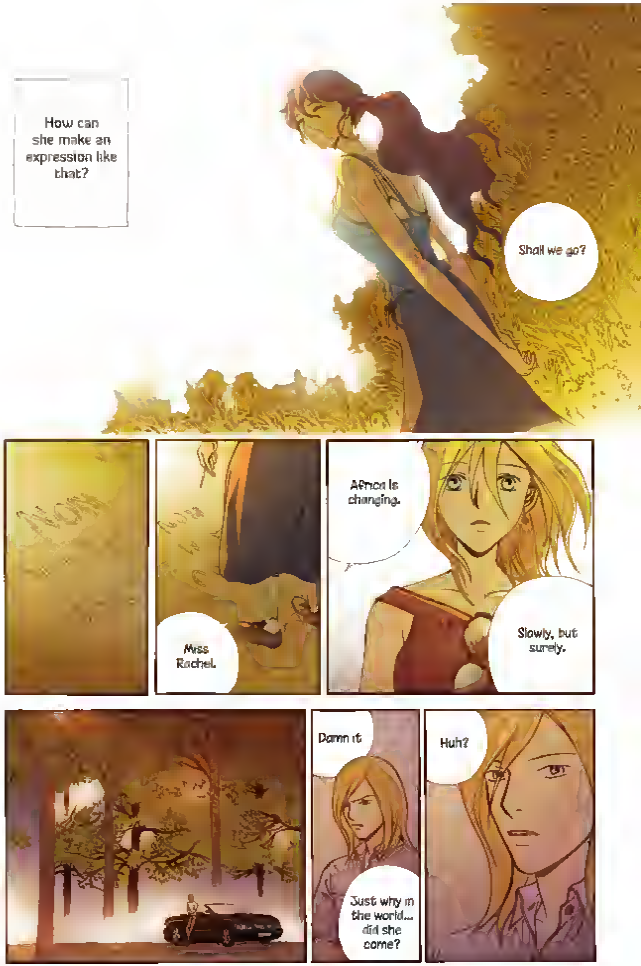


Congo... Ethiopia Sierra Leone...
It is a common practice for the occupying forces to cut the hands and ankles of children so that they won't get revenge.
And they did even more harsh things, especially to girls.



Don't you resent them?
Whoosh
I'm sure you were treated even worse than an animal.

.....
I...
do not resent anyone.
What s with this woman...

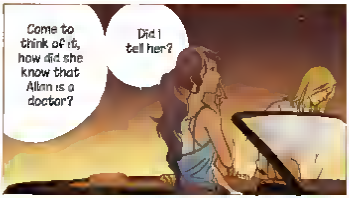


How can she make an expression like that?
Shall we go?
Miss Rachel.
Aimon is changing.
Slowly, but surely.
Damn it
Just why in the world... did she come?
Huh?

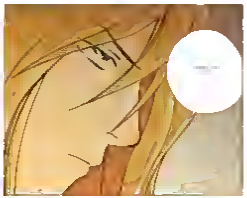
Why are you alone?

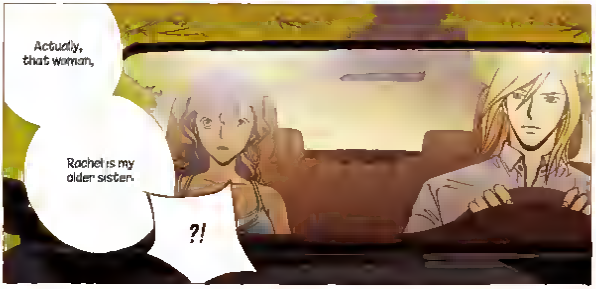
I'll just be alone for awhile before I go back.
If you park my car in the house of that doctor, I'll go and get it.

That's what she said.



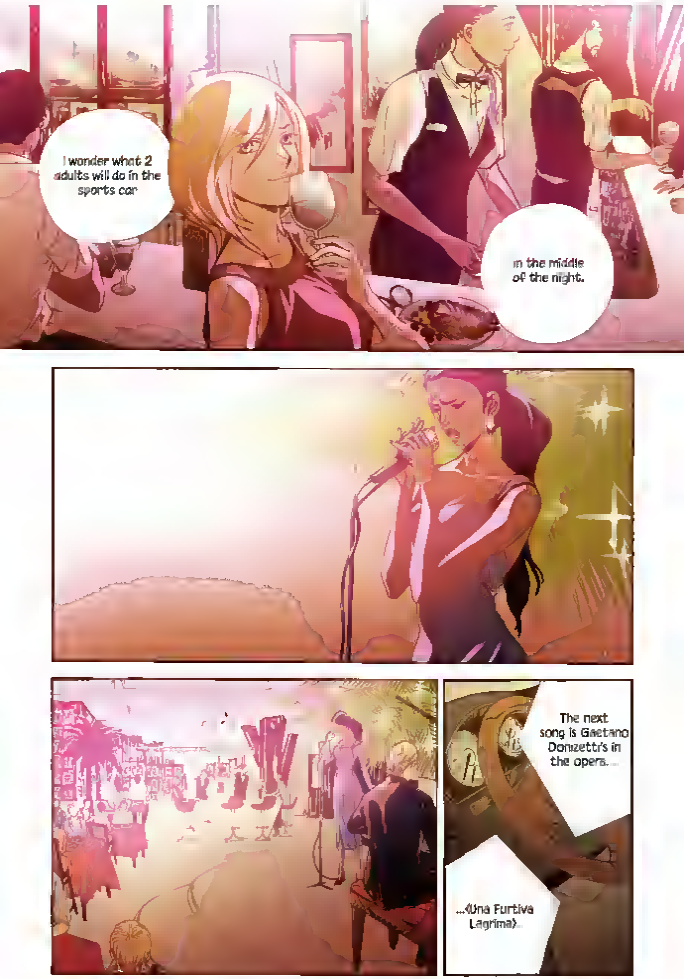
Come to think of it, how did she know that Allan is a doctor?
Did I tell her?



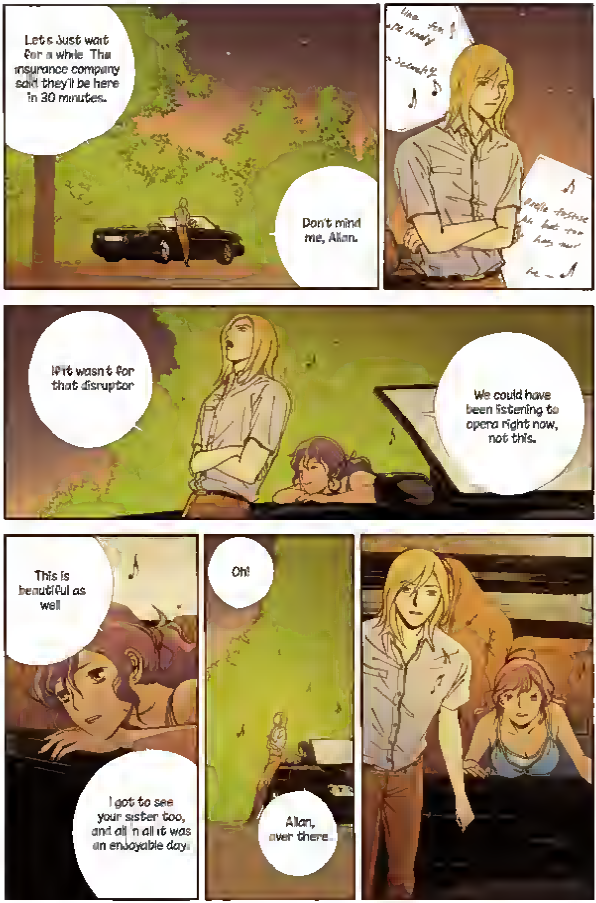


Actually, that woman,
Rachel is my older sister.
?!

What?!
Why did you guys pretend to be strangers?
I was disowned by my father.
It's a bit complicated... huh?
Rattle Rattle
Huh?
...It's empty?!
Shit! That witch tricked me again!
DAMN IT!
They should have stopped in the outskirts by now.
Fufu.



I wonder what 2 adults will do in the sports car
in the middle of the night.
The next song is Gaetano Donizetti's in the opera...
...(Una Furtiva Lagrima)...



Let's just wait for a while. The insurance company said they'll be here in 30 minutes.
Don't mind me, Allan.
If it wasn't for that disruptor
We could have been listening to opera right now, not this.
This is beautiful as well
I got to see your sister too, and all in all it was an enjoyable day.
Oh!
Allan, over there.

Cornelia.
Yes?
Do you want to go out with me?

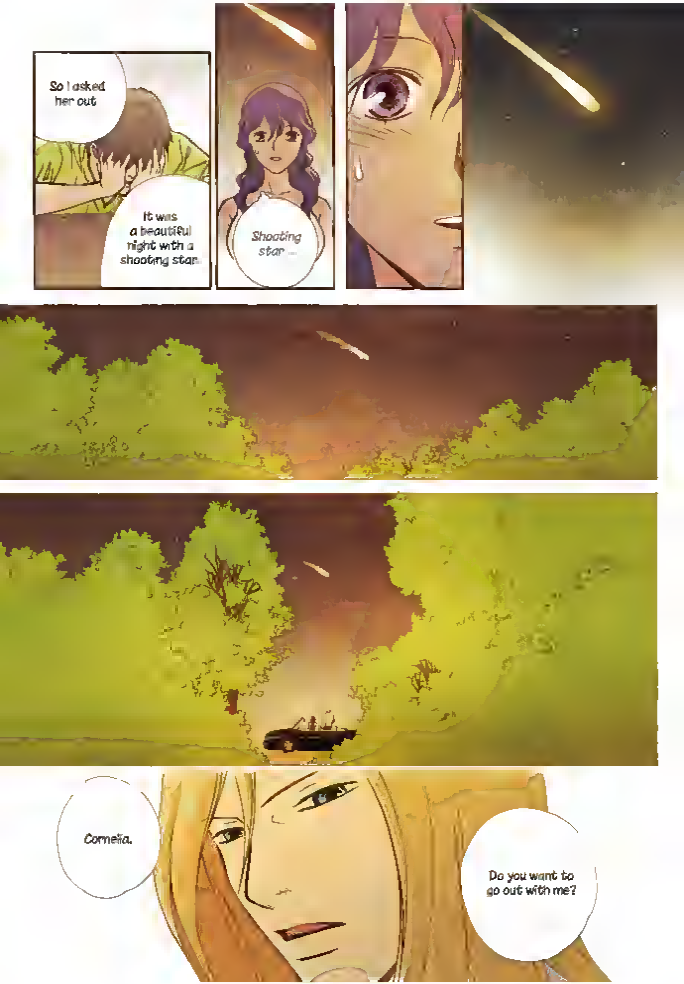
Dazed.
Miss Cornelia.
Are you giving that to me?
I...I'M SORRY!

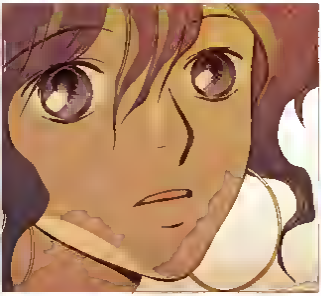
Slap
Slap
This is a Yanagisawa A-901.
The problem was caused by the pads, they're old so they keep sticking on to the instrument. Don't worry it can be fixed perfectly

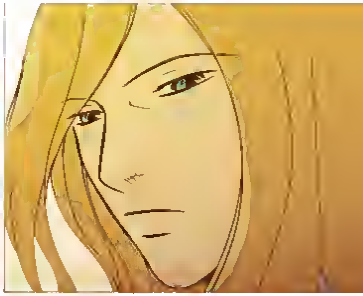
*Pads – They are positioned in the keys to block the wind They can be made out of leather paper sponge, cork, etc

Yes...
Is there something bothering you?
Miss Cornelia do you have a boyfriend?
Huh?
WHY IS DATING SO HARD?
It's been 10 years since she and I have known each other as partners in music.
But then at some point she started to look like a woman.
This is not the right time for this kind of story



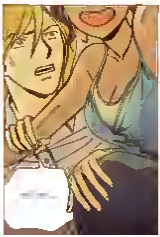
So I asked her out
It was a beautiful night with a shooting star.
Shooting star...
Cornelia.
Do you want to go out with me?



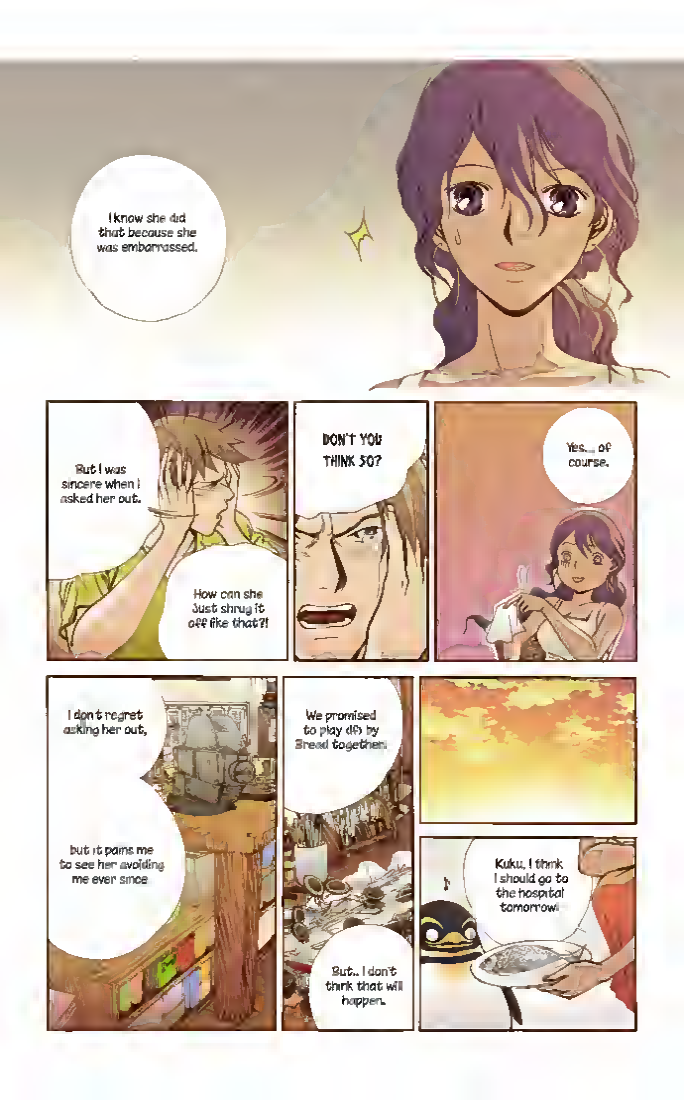


Ah.
That's...
uh.
Are you the ones who called?
I'm from the insurance company. You can rest assured now.

Oh, you're here. I'm so glad
Glad..glad hahaha.



Yes.. yes..

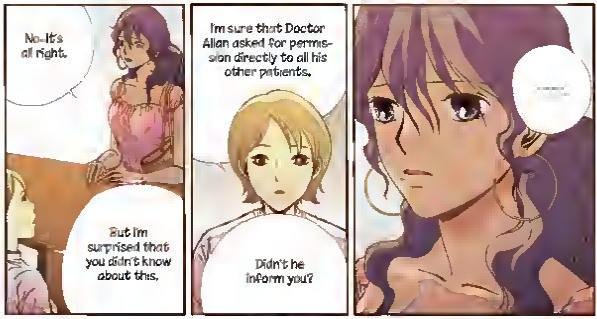


I know she did that because she was embarrassed.
But I was sincere when I asked her out.
How can she just shrug it off like that?!
DON'T YOU THINK SO?
Yes... of course.
I don't regret asking her out,
but it pains me to see her avoiding me ever since.
We promised to play dolls by Bread together.
But.. I don't think that will happen.
Kuku, I think I should go to the hospital tomorrow.

Allan hasn't been contacting me nowadays.

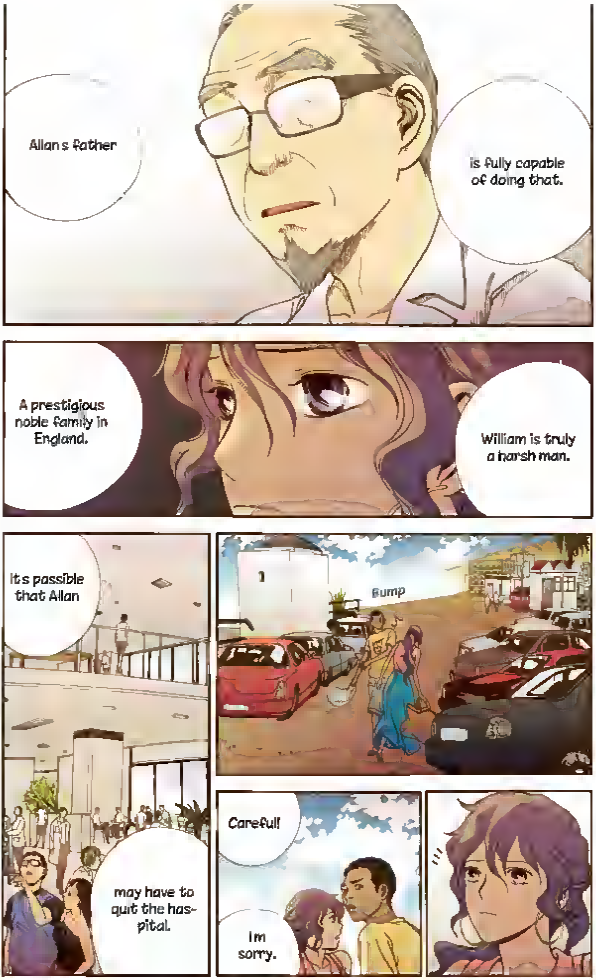
A leave?

Yes. It's been a week now.
Until when is his leave?
I'm not sure .. should I call the person in charge for you?

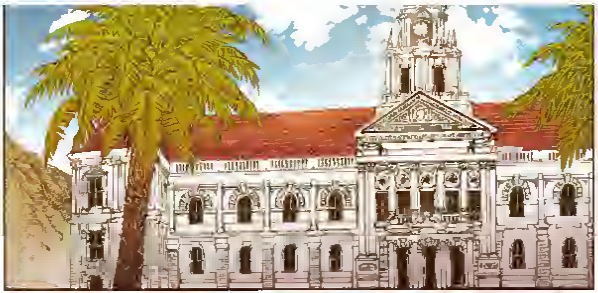


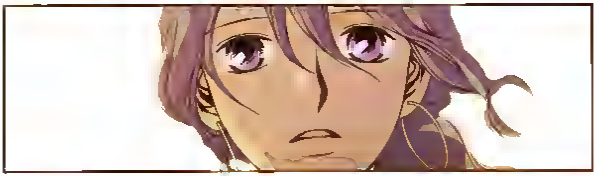
No. It's all right.
But I'm surprised that you didn't know about this.
I'm sure that Doctor Allan asked for permission directly to all his other patients.
Didn't he inform you?
.....

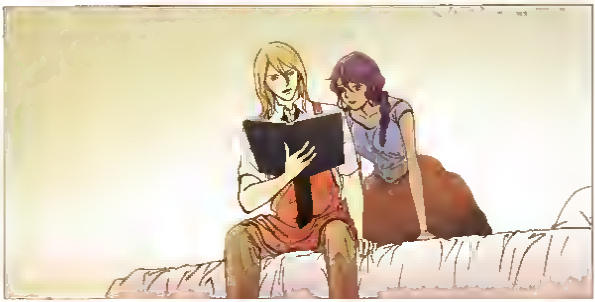
Riiing
Riiing
Riiing
I think he went back home.
That's all I can think of with his sudden disappearance
He is usually a meticulous person.
I'm sure that his father,
William Harmon summoned him home.
Allen was called back by his father?
But even so, how can Allen just suddenly disappear—

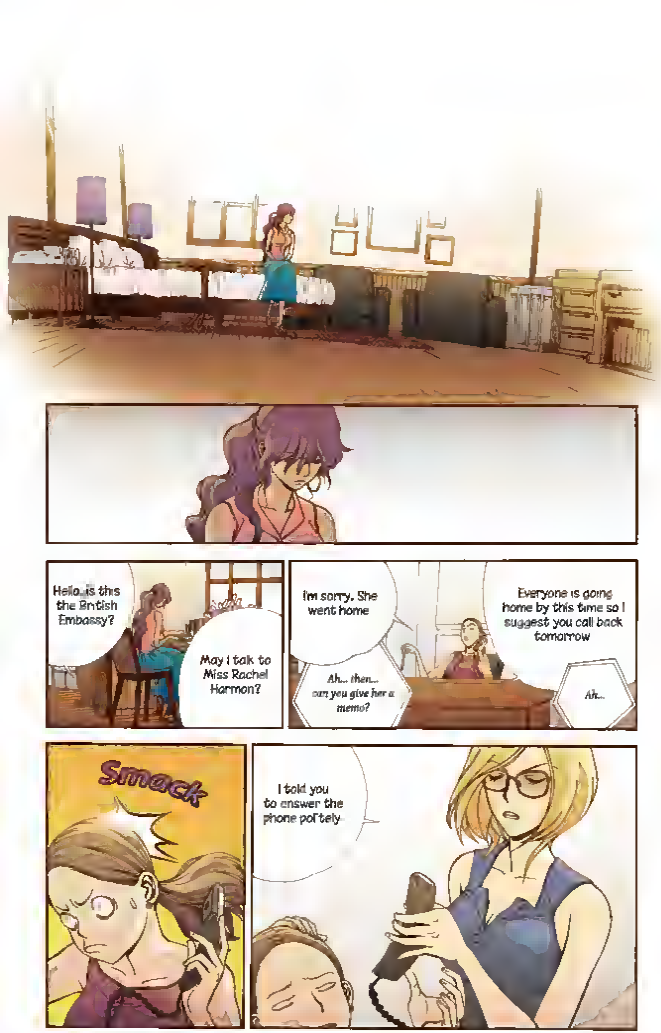


Allan's father
is fully capable of doing that.
A prestigious noble family in England.
William is truly a harsh man.
It's possible that Allan
may have to quit the hospital.
Bump
Careful!
I'm sorry.
!!!









Hello, is this the British Embassy?
May I talk to Miss Rachel Harmon?
I'm sorry. She went home
Ah... then... can you give her a memo?
Everyone is going home by this time so I suggest you call back tomorrow
Ah...
Smack
I told you to answer the phone politely

Miss Cornelia. This is Rachel.
Did we still have a debt between us?
Weren't you at home...
I'm working overtime. What is it?
It's..
It's because of that damn boy, Allan, right?

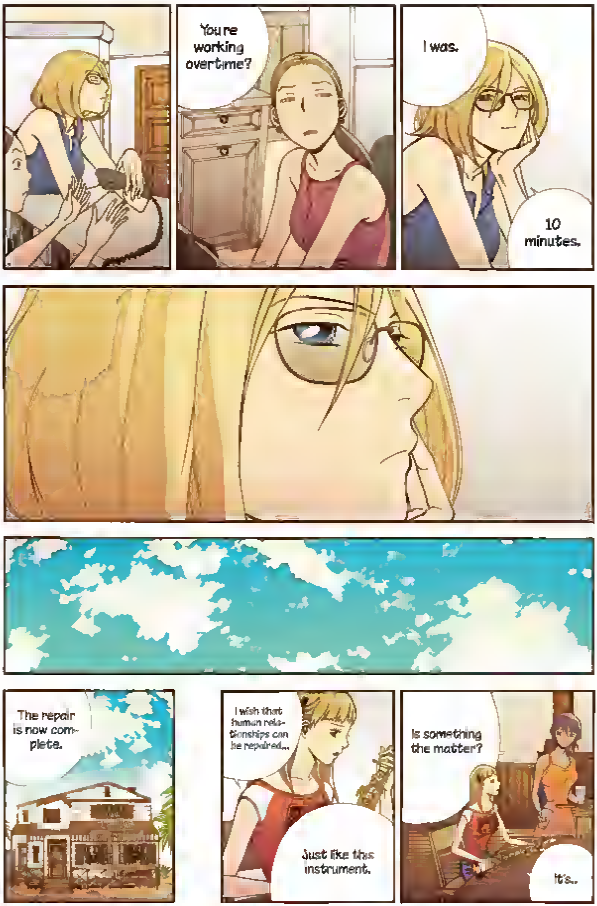
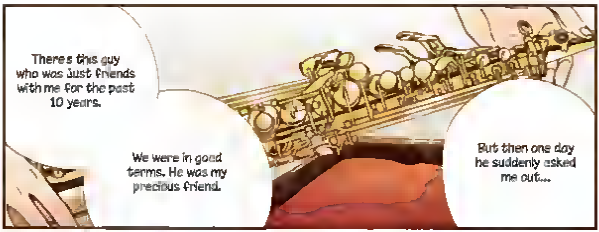
Joke!
Don't worry he's well and alive.
Miss Rachel!
Anyway, he's perfectly fine so don't worry.
Bye now!
WAIT, MISS RACHEL.
What is it now?
Allan... nothing happened, right?
What's your relationship with him?
If you guys are just friends...
This is the Harmon family's business so do not interfere.

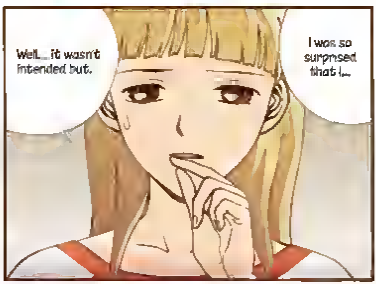


You're working overtime?
I was.
10 minutes.
The repair is now complete.
I wish that human relationships can be repaired...
Just like this instrument.
Is something the matter?
It's..



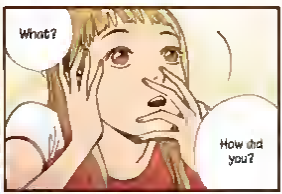
There's this guy who was just friends with me for the past 10 years.
We were in good terms. He was my precious friend.
But then one day he suddenly asked me out....

Wait, could she be?
So what did you do?



Well... it wasn't intended but.
I was so surprised that I...

Shrugged it off... like it was a joke...
Just like that right?



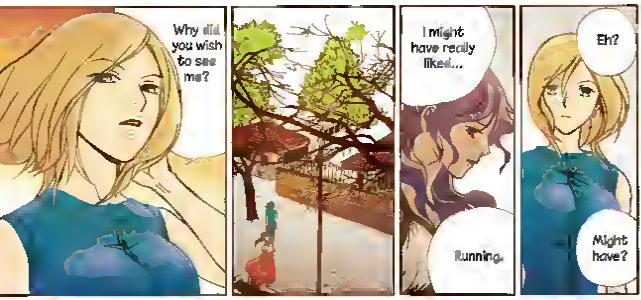
What?
How did you?

...Because,

I also...
did the same thing.
Don't you regret it?
Yes.
We were planning to perform...
do by Bread together...
Why don't we...
honestly confess our feelings to the other party?

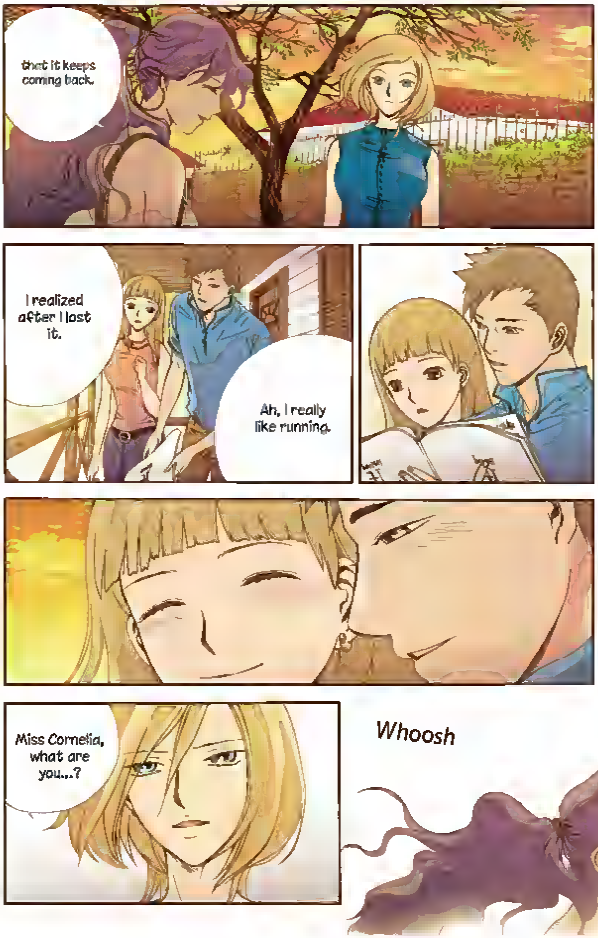
It's better late...
than never.
With that in mind,
please come back with your instrument tomorrow.
What? Isn't it completely repaired?
Hello?
This is Cornelia, the one who repaired your Yanagisawa A-901 on the other day...
I called because it seems that there is a small problem in your instrument.
I'm sorry but could you please visit once more with your instrument...

All right!
I should go.
I leave the rest to you, Kuku.



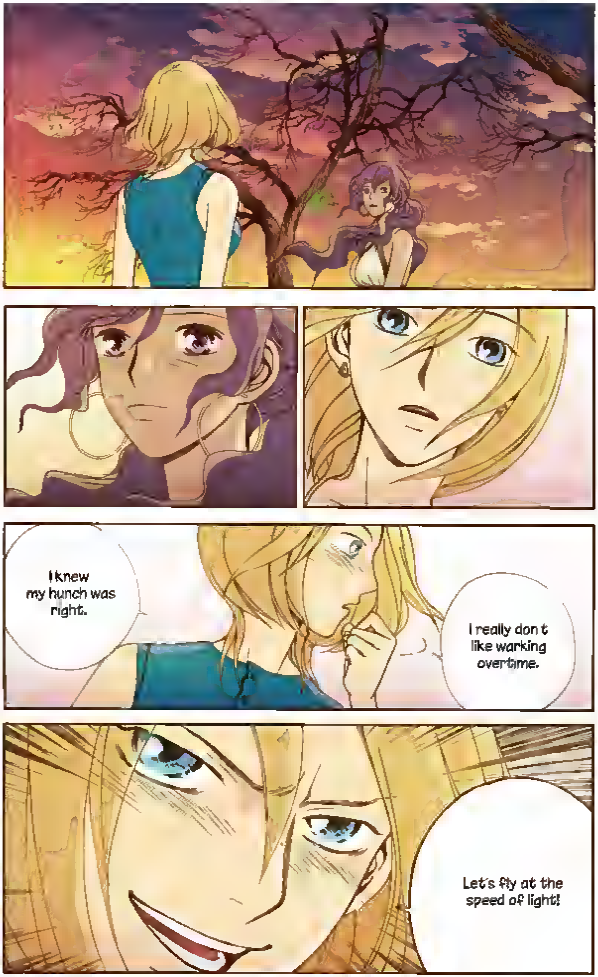
Why did you wish to see me?
I might have really liked...
Running.
Eh?
Might have?

At times when I step on the ground with my numb foot,
I remember myself running while playing across the forest a long time ago.
Kate... Why are you here?
James, you too... why are you...
Bang
Bang
If
It's not a scene from my memory, but the feeling of the soil under my feet...
If
feels so real in my mind...



that it keeps coming back.
I realized after I lost it.
Ah, I really like running.
Miss Cornelia, what are you...?
Whoosh

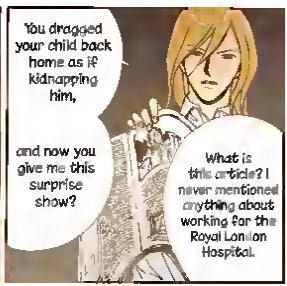
I like Allan.
Please let me meet him, Miss Rachel.



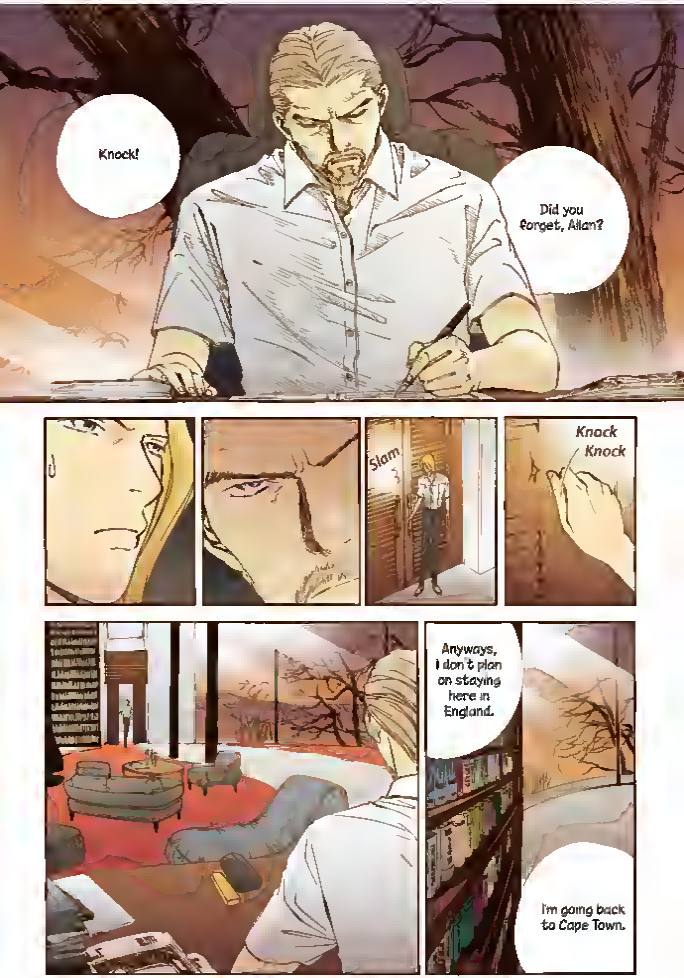
I knew my hunch was right.
I really don't like working overtime.
Let's fly at the speed of light!

Miss Rachel, please slow down.
WE HAVE TO HURRY! HAHA.

England, The house of the Hamon's.



You dragged your child back home as if kidnapping him,
and now you give me this surprise show?
What is this article? I never mentioned anything about working for the Royal London Hospital.



Knock!
Did you forget, Allan?
Slam
Knock Knock
Anyways, I don't plan on staying here in England.
I'm going back to Cape Town.

No.
FATHER!
I don't care who you date with.
That moment when you ignored my wish and left for South Africa,
I had erased you from my mind.
So you were researching about me behind my back.
You haven't changed at all, father.
But if you are a Harmon,
you should be dating a human.
What?
Tak

The Angola civil war that changed from a proxy war of the east and west into a fight for natural resources.
There could be more if we investigate further. Anyway, there were approximately more than a thousand killed.
Just what are you...
They are those killed by that child.

# WESTWOOD VIBRATO 시즌 2

윤인완 + 김선희

by Ylab

Dad?

Dad? It's you right?
You were the Santa last year too, weren't you?
Why didn't you come earlier?
Jake and I have been waiting so long for you.
After you died in that accident,
we waited for you everyday because we missed you.
Lord, take pity on us.
HURRY UP, JAKE!
Lord, take pity on us.

Lord, take pity on us.
Lord, take pity on us.

# *Track 9.10.11.12*

Daniel's oboe, which played Schumann's Träumerei, is a product of England's fine makers of English horn - Howarth of London. Its formal model name is Howarth XL-series. It is an instrument made from kingwood which came from South America and is famous for the high praise made by Philharmonic Orchestra's top oboist, 'Gordon Hunt'. Daniel is a child from a wealthy family. He experienced clashes with his family as a musician, but I chose this model believing that his parents would have bought him the best instrument.

The song "18 and life" which was revealed in the episode of Father Thomas was included in the debut album of the heavy metal band - SKID ROW in 1989. SKID ROW is a name of a village in LA downtown and it also means backstreet. "18 and life" is a song that talks about the anguish and remorse of an 18 years old boy after he kills a child. While listening to the song, I thought how nice it would have been for the boy if an adult like Father Thomas was there for him.

The next is the recorder that stole Monica's heart. Hmm... recorders are familiar instruments which we've blown at least once in elementary. Actually, recorders hold a very old history. It started in the Middle Age. But because it had a low volume and monotonous tone, flutes, which are richer in tone, became the mainstream in the late 18th century and the recorder was forgotten by the public. After having a break for a century, its revival was spurred in the early 20th century thanks to the researches and the restoration of England's early music instrument researcher 'Dolmetsch' and the reenactment of its playing style by 'Brüggen' from France. Because of their efforts, the recorder has spread out to entire parts of Europe, America, Canada, Africa, Asia and now several countries, including Korea use it as a teaching material for music. As an effect, it has became a familiar instrument to us.

"Missa de Angelis" which is found in Kevin's story is the 8th mass song or number 8 from a total of 18 songs included in the Gregorian Chant. It is the song that is the most sung by the Catholic Church and is still widely loved. The tradition of the Middle Age and the sweet melody is really beautiful. I chose this song because with just a simple melody, it can create a lot of imaginations and the song title, which reminds us of a fairy tale seemed to suit very well with Kevin and the other children who are fighting the disease.

God will not forgive us.
The world will say how foolish we are.
I can't express it with words when I talk about you.
You are the only one I can be with.
There's nowhere else I'd rather be. I only have you left.
You rain down the rain of love on me.
I'll always be with you.

Do you really want a war just because of a woman?
This is all because of that prince of yours!
Even if the world slows down and stops rotating,
I will spend my last moment with you.

And when the world ends and stars start to disappear one by one,
you and I will just fly away.

# Track 13.14

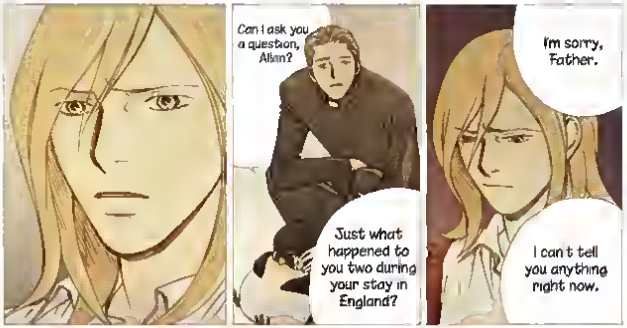
Donizetti's opera "L'Elisir d'amore" is the story of the heroine Adina and Nemorino who is in love with her. To tell you the truth, my knowledge in opera is quite shallow (laughs). When I listened to the main character Nemorino singing and "Una Furtiva Lagrima" in Act 2, the sad melody with low resonation and the calm ending seemed somewhat similar with Allen and Cornelia. If you listen to the song, you might get the general idea of what will happen to the love of Cornelia and Allen as the story goes on (laughs).

And "If" by Bread is a song that has a record of being placed 4th in the Singles Chart in America. I found the name, Bread funny so I did some research and found out that they got the name from the Bible. They say that the name tells the people... We want to do a song with fragrance just like a fresh batch of bread. Unfortunately, due to the troubles experienced within the members, they disbanded and continuously reunited. In 2005, the death of the two members, Jimmy Griffin and Mike Botts due to cancer ended this band's fragrant songs.

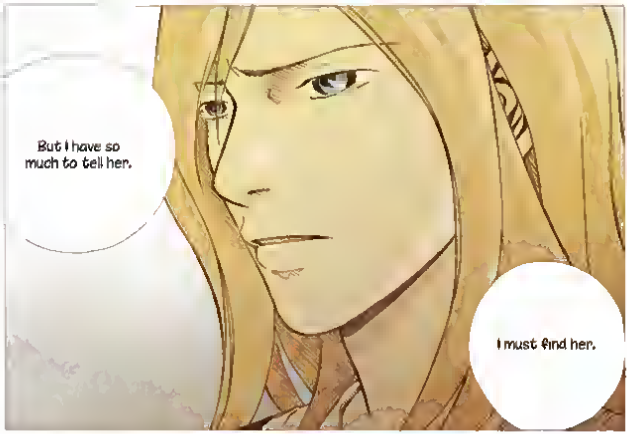
T/N: I also researched how Bread got their name and it turns out they were inspired by a bread truck that passed by while they were thinking of a name. I don't know where the author got his sources and I don't know if he is correct or I am, but I am writing this other origin of the name Bread just in case.

Thank you for everything.
Are you really going to the north?
Yes... I have received a request.
We realized something important because of you.
What we must protect is neither the tradition nor the food-

But those.



Can I ask you a question, Allen?
Just what happened to you two during your stay in England?
I'm sorry, Father.
I can't tell you anything right now.



But I have so much to tell her.
I must find her.

Huh?
